Single, Free & Loving It Elaine M. Lewis, 2012-02-22 This book is for all the single or divorce ladies that want a man, or can't find a man and maybe you are just tired of looking. You've been on blind dates joined the singles clubs but thought to yourself that I am approaching 30, perhaps you are way passed 30. You might even be middle age and never been married, you've always been the bride's maid but never the bride. Well, what I have to say to you is to take a chill pill and get out of the searching business and into the preparation stage. Let yourself be found by your knight and shining armour. This book shows you how to enjoy your singleness while you patiently wait on your soul mate. Don't worry be happy there is a man for you! please know that most people want to be loved but first you must love yourself.

The Book of my Lessons Marc Mazis, 2011-09-25 The Book of Lessons attempts to describe a series of lessons which were born from some encounters, signs, experiences and messages that I received from God. It is filled with the spiritual tools that were lovingly given to me to help me avoid the crash and burn of a life lived selfishly and without regard to the well being of myself and others. The messages and lessons include sacred sources of untold wisdom and intertwine all-religions and spiritual paths. They have taken me on a journey of tremendous personal transformation occurring by 'tuning into the Living Universe' and by practice. It is my hope that you too will see synchronicity in the signs and messages that you experience everyday, in your great Dance with God in a loving relationship. And that your connection with that love and power will light your path as you proceed, and the transformation will bring you unspeakable joy. - Marc Steven Mazis

An Ocean of Blessings Penor Rinpoche, 2017-11-07 The first published collection of essential teachings by Penor Rinpoche, one of the most important Buddhist masters of the 20th century. This inspiring work is the first available collection of teachings by one of the most well-known Nyingmapa masters of the twentieth century, His Holiness Penor Rinpoche. Ani Jinba Palmo compiled and translated this valuable collection of Penor Rinpoche's fundamental instructions for practitioners on the Vajrayana path. Coming straight from the heart and realization of this great master, these honest and clear teachings emphasize the indispensable foundations of loving-kindness, mindfulness, and simplicity needed to become a true yogi.

Profound yet accessible, this work serves to remind Buddhist practitioners of the heart of the Tantric and Dzogchen traditions.

Soul Psychology Joshua David Stone,1994 There are tens of thousands of self-help books on psychology and human relationships; however, there are very few that integrate the topics of the soul and spirit into the picture. Most books on this subject focus on personality-level self-actualization. The new wave in the field of psychology is transpersonal or soul psychology, which will lead to monadic psychology for the more advanced students of the path. The entire understanding of psychology is completely changed when the soul is properly integrated. It has been said that personality-level self-actualization brings happiness, soul-level self-actualization brings joy, and monadic- and spiritual-level self-actualization bring bliss.
