**Last and Near-Last Words of the Famous, Infamous and Those In-Between** Joseph W. Lewis Jr. M.D., 2016-10-28 The author has assembled a collection of 3,676 last words from a select group of individuals as they faced their approaching demise. This compilation illuminates a group of beings ranging from convicted criminals to the most holy. Some serenely committed their souls to a higher being while others railed against oncoming death. Many are famous, some are notorious, and others blur into a less well-defined subgroup. The majority of entries consist of final spoken words, but a few wills, epitaphs, diaries, and last letters are also included in this collection. A brief sketch of each person includes birth and death dates, country of origin, and a short biographical sketch. Farewells spoken after the turn of the twenty-first century ensure that this compilation has some of the most up-to-date material in this genre.

John Green Kathleen Deakin, Laura A. Brown, James Blasingame Jr., 2015-06-09 In a very short time, John Green has become an icon of young adult literature. His first novel, *Looking for Alaska* (2005) won the Michael Printz award, *Paper Towns* (2008) received an Edgar Allan Poe award, and in 2014, Time magazine named him one of its 100 Most Influential People. *The Fault in Our Stars* reached number one on the New York Times bestseller list, and the film adaptation was a worldwide hit. *John Green: Teen Whisperer* looks at the work of a versatile author whose works have fast become must-reads for teens and adults alike. After providing a biographical sketch of the author, subsequent chapters focus on different "types" of Green's writing: radio broadcasts, blogs, vlogs, YouTube videos, and, of course, his novels, including *An Abundance of Katherines* (2006) and *Will Grayson, Will Grayson* (2010). This volume concludes with an interview of Green and a unique final chapter that considers not only the young adult view of his work, but an adult perspective as well. Based on extensive research, this book captures the diverse elements of Green and his work: predictable, but surprising; stable, yet enigmatic; aloof, but deeply caring; hip, but homespun; irreverent, but deeply spiritual. Exploring why his writing reaches both teens and adults, *John Green: Teen Whisperer* will be of interest to librarians, scholars, and the author's many fans.
