If Only They Could Talk James Herriot, 1976

If Only They Could Talk, by James Herriot (2 Cassettes) it Shouldn't Happen to a Vet James\* Herriot,

**If Only They Could Talk** James Herriot, 1986 The first two of James Herriot's humorous tales from the rural Yorkshire veterinary practice are here presented in a single volume. Herriot's books form the basis of the popular BBC TV series *All Creatures Great and Small*.

If Only They Could Talk James Herriot, 2012-06-28 'I grew up reading James Herriot's book and I'm delighted that thirty years on they are still every bit as charming, heartwarming and laugh-out-loud funny as they were then.' – Kate Humble Fresh out of Veterinary College, and shoulder-deep in an uncooperative cow, James Herriot's first job is not panning out exactly as expected . . . To a Glaswegian like James, 1930s Yorkshire appears to offer an idyllic pocket of rural life in a rapidly changing world. But even life in the sleepy village of Darrowby has its challenges. On the one hand there are his new colleagues, Siegfried and Tristan Farnon, two brothers who attract a constant stream of local girls to whom James is strangely invisible. On the other he must contend with herds of semi-feral cattle, gruff farmers with incomprehensible accents and an overweight Pekingese called Tricki Woo . . . Heartbreaking and hilarious in equal measure, *If Only They Could Talk* is a book for all those who find laughter and joy in animals, and who know and understand the magic and beauty of Britain's wild places. James Herriot's books were televised in the enormously popular series *All Creatures Great and Small*.

*The Wonderful World of James Herriot* James Herriot,2022-10-27 The perfect gift for fans of All Creatures Great and Small, this is a charming collection of classic stories from James Herriot's much-loved books, with insights into his life and work from his children Rosie and Jim. With astute observations and boundless humour, country vet Herriot captures the spirit of the Yorkshire Dales and of rural communities on the cusp of change, before tractors and machines had taken over and modern medicines and antibiotics transformed veterinary work. Along the way a beloved cast of characters emerges, from the squabbling brothers Tristan and Siegfried to Herriot's hapless courtship and eventual family life with Helen Anderson. But it's the animals which are at the heart of Herriot's stories. Whether he's dodging a raging bull on a risky artificial insemination assignment, becoming pen pals with Tricky Woo the spoilt Pekingese pooch, or the inevitable trials and tribulations of lambing season, there's never a dull moment in Herriot's company. At times moving and often laugh-out-loud funny, *The Wonderful World of James Herriot* will delight fans old and new. 'I grew up reading James Herriot's books and I'm delighted that thirty years on, they are still every bit as charming, heartwarming and laugh-out-loud funny as they were then' - Kate Humble, on the works of James Herriot
