

La Biblia Del Lcd

Clifford Lane

The Qur'an in Its Historical Context Gabriel Reynolds, 2007-09-28 Providing commentary on the controversial revisionist school of Qur'anic studies, this book explores the origins, scholarship and development of the Qur'an. The collection of articles, each written by a distinguished author, treat very familiar passages of the Qur'an in an original manner, combining thorough philology, historical anthropology, and cultural history. This book addresses in a critical fashion the hottest issues in recent works on the Quran. Among other things, the contributors analyze the controversial theories of Luxenberg regarding Syriac and the Quran, and in particular his argument that the term Hur refers not to virgins but to grapes.

Protestant Hispanic Churches of Oregon Deborah L. Berho, 2012-03-02 The number of Hispanics living in Oregon has burgeoned over the past several decades. The number of Spanish-speaking churches in the state has also grown exponentially. However, most non-Hispanic Oregonians know very little about the Hispanic population. This lack of knowledge about Latinos, and about Hispanic ministries specifically, is found among academics and Anglo Protestants alike. This book is the result of my desire to provide information that will serve as a bridge between Spanish-speaking and English-speaking churches and facilitate understanding between groups in the broader population, and provide a well-documented study for the academy.

The Answer / La Respuesta (Expanded Edition) Sor Juana Inés de la Cruz, 2009-06-01 Defiant writing by the first

feminist of the Americas—the Mexican nun Sor Juana Inés de la Cruz—in response to the church officials that tried to silence her. Known as the first feminist of the Americas, the Mexican nun Sor Juana Inés de la Cruz enjoyed an international reputation as one of the great lyric poets and dramatists of her time. The Answer/La Respuesta (1691) is Sor Juana's impassioned response to years of attempts by church officials to silence her. While earlier translators have ignored Sor Juana's keen awareness of gender, this volume brings out her own emphasis and diction, and reveals the remarkable scholarship, subversiveness, and even humor she drew on in defense of her cause. This expanded, bilingual edition combines new research and perspectives on an inspired writer and thinker. It includes the fully annotated primary text responding to the church officials; the letter that ultimately provoked the writing of The Answer; an expanded selection of poems; an updated bibliography; and a new preface.
