The Performance Identities of Lady Gaga Richard J. Gray II, 2014-01-10 Three years after entering the pop music scene, Lady Gaga became the most well-known pop star in the world. These thirteen critical essays explore Lady Gaga's body of work through the interdisciplinary filter of performance identity and cover topics such as gender and sexuality, body commodification, visual body rhetoric, drag performance, homosexuality and heteronormativity, Surrealism and the theatre of cruelty, the carnivalesque, monstrosity, imitation and parody, human rights, and racial politics. Of particular interest is the way that Lady Gaga's oeuvre, however popular, strange, raw or controversial, enters into the larger sociopolitical discourse, challenging the status quo and altering our perceptions of reality.

Justify My Love Ryann Donnelly, 2019-04-16 An analysis of sex and gender in music videos, covering everyone from Beyonce to Madonna, Nine Inch Nails to Mykki Blanco. In *Justify My Love*, Ryann Donnelly explores sex and gender in one of the most widely consumed art forms of our age -- the music video. Through an autobiographical reckoning with the author's life in a band and collaboration with past lovers, and a close analysis of the erotic iconography of music videos, *Justify My Love* tells the subversive history of this medium, from the inception of MTV in 1981 through to the 2010s. Covering everything from Lady Gaga and Beyonce to Nine Inch Nails and George Michael, *Justify My Love* shows how subversion became mainstream, and how marginalized voices shaped some of the biggest music videos of the last thirty years.

Cultural Stations of Disability David Bolt, 2025-11-25 In the disability community, which can have multiple meanings in itself, we often experience poignant moments in sociocultural discourse. Our pathways to knowledge and understanding of

identity are defined by life's landmarks, many of which resonate with what thereby become formative figures or artefacts. This mapping of key moments involves recognising, and reflecting upon, cultural stations of disability. More than being demarcations of disruption to the normative social order, cultural stations of disability sometimes pertain to its very epitome. They hold something of a moment in discourse with which identification is paramount but variously emotive. They may capture feelings of liberation to which we joyfully return, difficult memories that we revisit to ponder, or the nadir of modernity from which we can only hope to learn. In this edited volume, an international gathering of contributors finds and defines dozens of cultural stations of disability in music, art, film, television programmes, literature, sitcom, activism, sport, performance, organisations, places, and events. *Cultural Stations of Disability: A Moment in Discourse* will be of interest to interdisciplinary readers in disability studies, humour studies, media studies, film studies, television studies, literary studies, gender studies, cultural studies, popular music studies, and related disciplines in the humanities, education, and social sciences.

Many of the artists featured in this edition are the hidden names behind some of the world's biggest and most prestigious brands, like Bruce Weber the photographer who defines the semi erotic brand imagery behind Abercrombie & Fitch and Calvin Klein, or a name less well known Solve Sundsbo who crafts the provocative brand imagery for Tom Ford. *Nollywood Stars* Noah A. Tsika, 2015-04-10 "A revelation. It will introduce readers to one of the most significant global centers of film production, Nigeria . . . an important work . . . Essential." —Choice In this comprehensive study of Nollywood stardom around the world, Noah A. Tsika explores how the industry's top on-screen talents have helped Nollywood to expand beyond West Africa and into the diaspora to become one of the globe's most prolific and diverse media producers. Carrying VHS tapes and DVDs onto airplanes and publicizing new methods of film distribution, the stars are active agents in the global circulation of Nollywood film. From Omotola Jalade-Ekeinde's cameo role on VH1's popular series *Hit the Floor* to Oge Okoye's startling impersonation of Lady Gaga, this book follows Nollywood stars from Lagos to London, Ouagadougou, Cannes, Paris, Porto-Novo, Sekondi-Takoradi, Dakar, Accra, Atlanta, Houston, New York, and Los Angeles. Tsika tracks their efforts to integrate into various entertainment cultures, but never to the point of effacing their African roots. "Tsika breaks new ground in showing that Nollywood stars are not the passive creations of an industry, but rather have been essential conditions of its existence and phenomenal success." —Jacquelyn Southern, Center for Urban & Global Studies, Trinity College "There is no doubt that this is a pioneering book, one that raises important questions about the transnational and transmedial dimensions of an emergent, corporate culture of stardom and models an entirely new approach to the study of African movies and media." —African Studies Review "Makes a convincing case that one cannot fully understand Nollywood without a thorough and rigorous examination of its stars." —Christina Lane, University of Miami

**Pandora, her Box and her Daddy's Curse** Alejandro Estrada, 2012-10-05 Alejandro has written an autobiographical memoir which he feels has the potential to greatly benefit society. Unfortunately his message does not agree with the current agenda and he has been blacklisted by the United States media. On the morning of December 14, 2012, the nation found out the reason why Alejandro was such a threat because the effect from this corruption resulted in the tragic events at Sandy Hook Elementary and thus, every American Citizen is indirectly affected by the information contained in this publication. The reality is that if the Vatican would have acknowledged Alejandro's warning, those events could have been prevented. It was in February 2009 when Alejandro returned home from a short hiatus and discovered he had been locked out by strangers. His partner, well-known porn director Michael Goss, was dead and Alejandro knew something was horribly wrong. He went to the Los Angeles Sheriffs for help, but instead, they publicly humiliated him. When the Santa Monica based attorney, Jan Morrison, filed for probate on behalf of her client, Thomas Proechel, Alejandro submitted a formal allegation against him for the murder of Michael Goss, which the authorities completely ignored. Eight months later, music artist Lady Gaga released the song Alejandro. She has stated her inspiration was from a Sex Monster and the reason is because Michael Goss's media

company Goss Productions, produced male fetish pornography. Lady Gaga allegedly knows the individual responsible for killing Michael Goss; that individual is a member of the Royal Arch degree of Freemasonry. His Masonic brother, Steve Cooley, happens to be the District Attorney for Los Angeles and when Alejandro confronted Mr. Cooley alleging R. William Rheinschild for the murder of Michael Goss, the response from the DA's office informed him that Michael Goss's estate, which was valued at approximately \$10 Million, did not meet the preliminary requirement of the Major Fraud division to consider investigating; the requirement was a total property loss of at least \$300,000.00. As an insult, Mr. Cooley's office redirected Alejandro back to the local authorities. The truth is, local and federal authorities have refused to help Alejandro. His career has been ruined by defamation. In December 2010 he filed a declaration which presented the evidence that proved Michael Goss was murdered. A month later an attempt to murder him failed and the LAPD censored his police report and in March 2012, Alejandro's image appeared without his consent in an advertisement for BluMedia Group which was posted on an adult pay-per-view networking website. His image was manipulated to appear as if he was being raped and was entitled The Predator and the Prey. After confronting a representative for Katz Media Group in New York City, the Vice President of Public Relations suggested he write a book. The intention was to stall time so Alejandro's statute of limitations would run out but to everyone's surprise, Alejandro finished his book within a week and submitted it to the Library of Congress in August 2012 and in fact, Alejandro has dedicated his book to the VP of PR for Katz Media. Since person responsible for killing Michael Goss has corrupted local government in his favor and because Alejandro has exhausted every avenue for recourse, he had no other choice but to elevate his case to God's divine jurisdiction. The reason why this book is significant is because Alejandro exposes the root of social injustice and in the last chapter he makes some very specific statements that came to fruition in October 2012 when hurricane Sandy hit the northeastern United States. Do not pass this book up because Alejandro's message just might be our salvation against the Beast called Freemasonry.

Chapters: Bad Romance, Telephone, Poker Face, Alejandro, Born This Way, Paparazzi, Just Dance, LoveGame, Eh, Eh, Christmas Tree, Dance in the Dark, Speechless, Monster, Beautiful, Dirty, Rich, Chillin. Excerpt: Bad Romance is a song by

American recording artist Lady Gaga. It was released as the lead single from her third extended play (EP), and second major release *The Fame Monster* (2009). Written by Lady Gaga and produced by RedOne, the track was inspired by the paranoia that Gaga experienced while touring the globe from 2008 to 2009. After a demo version of the song was leaked, Gaga premiered the finished version at Alexander McQueen's show at the Paris Fashion Week in October 2009. This was followed by the release of the single's cover art. Musically, *Bad Romance* features a spoken bridge, a full-throated chorus and sung lyrics that concern the situation of being in love with one's best friend. The song, containing elements of the music from the 1980s and the 1990s and influences of German house-techno music, has been described by Gaga as a pop experimental record. *Bad Romance* was a commercial success that reached number one on the UK Singles Chart, Irish Singles Chart, Canadian Hot 100 and the Swedish, German, Austrian and Danish charts, while peaking at number two in countries such as the United States, Australia and New Zealand. According to the International Federation of the Phonographic Industry, the song has sold 9.7 million copies worldwide in 2010, making it her second-best selling single behind *Poker Face* (2008). Also a critical success, *Bad Romance* was praised by most critics who compared it to Gaga's second single *Poker Face*. It was also ranked the ninth best song by Rolling Stone in their list of 25 Best Songs of 2009 and received the Grammy Award for...
