God and Life John Hunter,1910

You Can Overcome the Jealousities in Your Life KaShana K. J. Gallentine,2011-02 What is a jealousy, you might ask? The term jealous means very watchful or careful in guarding or keeping, resentfully suspicious of a rival or a rival's influence, resentfully envious, resulting from such feelings, requiring exclusive loyalty. An ite is a native inhabitant, or citizen of; a descendent from or offspring of; an adherent of, believer in, or member of. A jealousy is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life, even if it's yourself. So, you've fallen into the pit of sin and jealousy and envy has a hold on you. Is it too late for you or those in your territory or life who may be struggling with this sin? The answer is no. So many are stuck or at a stand still in life, while others are watching enviously at those who are pursuing ahead. We can no longer ignore this crisis for it affects our relationships on all levels. Whether it be in your home, in the workplace, in your school, in your church, in your family, in your friendships or in your nation. Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation. If you are tired of living an average, defeated, self-consumed and insecure life, this book was designed with you in mind. You don't have to sit back and watch others get to the finish line. You can get in the race and finish your course also. No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth. You, yes you, are called to make a difference and a contribution in the lives of others. This book's message is a beckoning call for healing, deliverance, restoration and forgiveness to the broken hearted. If you've been desiring to get ahead in life, to advance beyond the pain, sufferings and struggles you've been experiencing, this is your time.

The Homestead, 1926

A Heartbeat Away Paul Nicholas, 2022-05-17 Josiah Benton was born and raised in Flagstaff, Arizona, home to the beautiful San Francisco Mountain Range and the vanilla scents of the Ponderosa pine forest. Our world would consider his life most unfortunate with the challenges he faced at birth. Not to be fazed by the palsy affecting the left side of his body, Josiah makes the most of life in his forty-seven years on earth. A childhood friend by the name of Caleb Barnes keeps him busy with their favorite games, sleepovers, and a fishing caper, which lands them in hot water with family members who so easily forgave them. Trapped one night in a deer stand, freezing to death if not for the body warmth of his best buddy, Caleb, Josiah sees into his past and the future with the help of an angel. Five key events are shared that set the course for his life. He sees them all in the same vision. One event from the past, he understands. Four events are yet to be revealed. In our lifetimes, there are four to five events each of us experiences to make an impact on the kingdom of the Lord, our families, and our own lives. The impact can be positive, or the impact can be negative. Take a journey with Josiah and see where these future events lead him. See if the world becomes a better place after Josiah takes his last breath. You will meet the love of Josiah's life, Rebecca Adsila. The origin of their relationship is unique to say the least, and oh, do they have so much in common. Three great adventures await them spanning two and half decades. Their final act of kindness and conviction for the masses is one for the ages. The story is narrated by Josiah Benton himself as he rests while taking in his last breaths in bed. The same bed his beautiful wife, Becca, died in just six months prior. Now, it is Josiah's turn. No bother to him. He is

more than ready to go home and be with his Becca. He is fortunate to be surrounded by his two children and four grandchildren, or is he hallucinating and confused? Clues along the way reveal the truth about Josiah, but the challenge will be piecing them together and solving the puzzle, only to be revealed right at the very end.
