Recipes from Mom Gaye Lynne Knott, 2025-08-08 *Recipes from Mom: Alzheimer's through the Eyes of a Daughter* is a true story of how one woman witnesses the decline of her mother as Alzheimer's disease steals her mom little by little. The one thing that Alzheimer's could not steal was the recipes of the heart, which she learned from her strong and beautiful mother. Giving her the strength to endure, these recipes provided her with each ingredient needed when searching for spiritual wisdom, helping her to persevere and pull through each battle. She recalls the simple moments spent with her mom, reflecting on their conversations and the life choices her mom made. She did not realize that these moments would one day be their saving grace. Over the years, Gaye began to realize this fight would become a war; therefore, she equips herself with the only vice that can win any war, and that is God's word. Gaye journaled, prayed, and learned to listen, enabling her to piece together this emotional journey. This nonfiction narrative illustrates the incredible way in which the light of faith can pierce through the most difficult seasons of darkness by choosing faith over fear and God over self. A true testament to how the sweetest things can arise even when all hope is lost.

SERMONS THAT ILLUMINATE DALE W. PILGRIM, 2019-09-06 This book is a practical guide for preachers, both ordained and layleaders alike. *Sermons That Illuminate* explores the various genres of Scripture and examines methods and models of preaching from “the greats.” It also looks inward to consider the importance of wellness and self-care, with some suggestions for moving toward healthy preaching. Whether you’re a veteran preacher or preaching your first sermon, you’ll be invigorated as you explore the art of preaching.

Encouraging Words for the Thirsty Ken Miller, 2022-08-02 Have you ever been really thirsty? Like when the afternoon fun at the lake ends, or the ninth inning brings a well-earned win! Nothing can beat an icy glass of chilly water sloshing down our dry and dusty throats to quench a well-earned thirst. While that cold water satisfies the demands of our physical body, are we merely bodies requiring water? Or, are we more than that? What quenches the thirst in our soul and spirit, those innermost parts of us that can’t be touched by human hands? How are they nurtured? In a conversation with a Samaritan woman, Jesus told of a “living water” that, if she would drink of this water she would never be thirsty again. (John 4:10-15) He was, of course, referring to “spiritual” water. That is the only kind of water that will quench a thirsty spirit. Inside this book you will find 93 drinks of “living water”. Some will make you smile, some will make you think, but all will draw you to Jesus, the One

who was raised from the dead, lives today, and wants to get to know you!

Septic Chasty King, 2022-02-16 “Chasty’s heartbreaking story of struggling with addiction is proof that God always has a plan and purpose for each person. He can completely turn a life around, and absolutely no one is a lost cause.” - Jimmy Wayne, Recording artist & NYT bestselling author of *Walk to Beautiful* Addiction is a bone-deep, blood-deep, and spirit-deep infection—stinking and rotting from the deepest parts of you. It infects every facet of your soul and leaks into every area of your life. Addiction steals your sanity, kills your joy, and destroys your being. It transforms you into a liar, manipulator, and thief. *Septic* is the raw account of Chasty King’s life. This transparent testimony exposes the depravity of addiction and shares how she found freedom through faith in Christ. She offers a keen perspective and meaningful relevancy to an epidemic that affects thousands of people every day. Journey with her as she shares with you the intimate details of both her darkest and brightest days. Her story offers hope to a hopeless world.

Shackled by Adversity, Sustained by Grace Pierre Denis Ceinor MSW BLS, 2019-10-31 This book speaks to the daily realities of anyone –regardless of race, color, origin, culture, belief, social strata, and gender- anyone who dares call him/herself “human”. The thoughtprovoking question here is, what does one do when the nightfall lingers with no daybreak in sight; when stubborn affliction becomes his/her fl anking companion, day in and day out? I truly believe in the redemptive and mystical power of suffering. It is, in essence, that inner agony, which has not only inspired this book, but also personified the invisible and excruciating pain, by giving it a face which can be seen and touched, a voice which can be heard, and an emotion which can be felt. Exposure to trials of all kinds, which one endures with steadfast courage, produces, at the end, resiliency and strong character. Walsh (2006) stated “Resiliency can be defined as the capacity to rebound from adversity strengthened and more resourceful. It is an active process of endurance, self-righting, and growth in response to crisis and challenge”. Resilient people demonstrate an uncommon ability to manage positively common life’s daily transactions. They exhibit exemplary courage and determination when confronted with traumatic events such as death, divorce, life-threatening illness, disaster, social injustice, racism and discrimination, etc. One’s belief plays a crucial role in the manner, which he/she approaches life’s stressful demands, daily responsibilities, and ongoing challenges.

Kaleidoscope Kelly Wiese, 2022-08-01 Is it possible for a simple, childlike toy, such as a kaleidoscope, to give hope, clarity, and meaning to all of the broken and shattered pieces of your life? In *Kaleidoscope*, Kelly Wiese deconstructs this simple yet complex toy by using each piece to illustrate how God is constantly at work, beautifully and carefully orchestrating a masterpiece with every aspect of your existence. In this unique and thought-provoking Bible study, you'll be challenged to see things from a fresh new perspective through the use of scripture, Bible stories, and real-life experiences. Kelly Wiese will walk you through each of the parts of a kaleidoscope, shedding new light on how each piece can help you to see beauty in your life and current situations that may seem painful or confusing otherwise. She then goes into depth discussing ways to

stay connected and focused on God that will give you strength and guidance during the stormy transition periods of life as well. Each section is followed by study and personal application questions to further help you reflect upon and drive home the illustrations and stories she writes about. Kaleidoscope will leave you yearning to draw closer to God on a daily basis and help you see that everything you go through and experience in life is as unique and individual as the collection of colorful pieces inside of a kaleidoscope, with every scene adding up to one final masterpiece, handcrafted by our Heavenly Father.
