War Slang Paul Dickson,2014-08-01 From the homegrown boodles of the 19th century to current misunderstandings in the Middle East, America's foremost expert on slang reveals military lingo at its most colorful, innovative, brutal, and ironic. Author Paul Dickson introduces some of the new words and phrases born of conflict, boredom, good humor, bad food, new technology, and the pure horror of war. This newly updated reference extends to the post-9/11 world and the American military presence in Iraq and Afghanistan. Recommended by William Safire in his On Language column of The New York Times, it features dictionary-style entries, arranged chronologically by conflict, with helpful introductions to each section and an index for convenient reference. Paul Dickson is a national treasure who deserves a wide audience, declared Library Journal. The author of more than 50 books, Dickson has written extensively on language. This expanded edition of War Slang features new material by journalist Ben Lando, Iraq Bureau Chief for Iraq Oil Report and a regular contributor to The Wall Street Journal and Time. It serves language lovers and military historians alike by adding an eloquent new dimension to our understanding of war.

God Is My Copilot Kenneth L. Atkins,2022-08-08 Briefly, the book is the story of adventure from the Texas Plains city of Amarillo with a dream to fly for the Air Force. It led to action with the Strategic Air Command during the Cold War and eventually to NASA's planetary exploration program, opening the solar system's mysteries beyond the Moon. Highlights include a love story, the joys and risks of flying, closing the Cold War missile gap, why the United States did not fly a spacecraft to Halley's Comet in 1986, and leading NASA's project Stardust to capture and return to Earth dust particles from comet Wild 2 plus actual star dust from an interstellar flow across the solar system. The adventure was imbedded in a journey of faith's role and consistency with discoveries about the Cosmos.
