**The Painting Path** Linda Novick, 2012-08-10 Discover the creativity that lies hidden within you—and express it! “Painting—because it is such a flexible and adaptable form of art—gives us unparalleled freedom to express what we are feeling. Through colors, forms, lines, even fabrics, we can tap into our deepest emotions and thoughts; we can access our very source. Given this opportunity, we unburden our spirits and are freed to express ourselves.” —from the Introduction What can you learn about yourself through painting? How can a piece of artwork reflect your own personality, beliefs and values? How can touching brush to canvas help you portray something about yourself that is otherwise inexpressible? Delve into these questions and more in this imaginative, creative resource. Professional artist and beloved teacher Linda Novick leads you on an exploration of the divine connection you can experience through art. Each chapter includes a simple yoga-inspired breathing and stretching exercise to focus your mind and refresh your body, along with an original art project that helps you explore a theme essential to both your creativity and your spirituality. Whether you’re a painting novice or an accomplished artist, no matter your faith and background, this engaging book has a place for you. Experience the joy of unbridled creativity!

Under the Totem Michael Eigen, 2018-05-08 This book is an extended reverie, reflection, confession, assessment, engagement with psychic reality. It offers further invitation into the mystery at the heart of the human experience that is, at its core, also at the heart of the psychoanalytic journey.

**Take the Plunge** Timothy Radcliffe, 2012-04-19 Take the Plunge explores baptism, showing how it touches the deepest dramas of human life. Timothy Radcliffe holds a unique position in the modern Catholic Church. As Master of the Dominican Order in Rome for nine years, he held one of the most senior and influential appointments the Catholic Church has on offer. But he is a member of an Order of Preachers and is thus truly apostolic. The order's motto consists of one word, Veritas (Truth), and it is the vigorous pursuit of intellectual and emotional truth which is the hallmark of his writing. This new book will not disappoint his admirers. Here, Fr Radcliffe argues that Christianity will only thrive today, overcoming the challenges of secularism and religious fundamentalism, if we rediscover the beauty of baptism. It touches the deepest dramas of human life: birth, growing up, falling in love, daring to give oneself to others, searching for meaning, coping with suffering and failure, and eventually death.

**Dialogues with Michael Eigen** Michael Eigen,2019-07-22 Dialogues with Michael Eigen spans 20 years of diverse interviews and interactions with the acclaimed psychologist Michael Eigen, including interlocutors from Italy, Spain, Portugal, Argentina, Sweden, Israel, and the United States, published together for the first time. This book explores the importance of soul reveries, psychoanalytic prayers, and cultivation of psychoanalytic faith in Eigen's work. The dialogues lay out Eigen's privileging of emotions as messengers in need of recognition, as welcoming inner gestures for incubation, enabling a deep vitalizing contact of being with oneself and others. Eigen reminds us that struggling with one's personality remains a life-long task, exposing us to various existential sufferings, agonies, traumas, and losses in need of soul confession, if not analytic prayer. The book seeks to help readers find, touch, and work with emotional realities a little better and support a growing intimate, creative relation to ourselves. The rich explorations of the interviews and interactions with Eigen help contribute to further appreciation of our experiential life and worlds it opens. Building on his work on mind-body-soul connections, Dialogues with Michael Eigen is an essential book for anyone interested in the spiritual side of psychoanalysis.

**Jacob` Ladder Towards Evolving, Wise Civilization Beyond Sapiens** Benjamin Katz,2022-10-20 This book presents a sort of a climbing up to a complex, contextual knowledge of who you and we are,what makes us destroy our life prospects and how to come over this hurdle which is built up in our minds/brains. The book presents thus an understanding of the human condition/nature and a way to transcend and evolve beyond these self defeating mechanisms to a new, upgraded Homo.

**To Come to Life More Fully** John Greenfelder Sullivan,1990

**Karma Sutra- Adventure Of A Street Bum** Rajendra Menen,2012-01-18 Karma Sutra is a powerful document of the Indian street - a journey into the murky urban underbelly. It tells the stories of those who live on - and off - the street, an amazing cast of characters that includes sex workers, bar girls, hijras, Devadasis, drug addicts, runaways, migrants, hustlers, the homeless, the dying, the abandoned.;Pulsating with raw realism and energy, the book tells gripping, heroic stories of heartbreak and hope, of exploitation and the will to survive. The stories echo the vibrance of George Orwell's classic description of poverty and low-life in Down and Out in Paris and London, so that one can actually smell and feel the street, and all its risks and dangers.

**One** Lance H. K. Secretan,2006 Whenever we experience pain or sadness, it is because we have become separated from what, or whom, we love. And whenever we are inspired and joyful, it is because we are one with what, or whom, we love. All human challenges and successes can be explained through this awareness. from jacket.

**Mourning Has Broken** Carmella B'Hahn,2002 This book is about transformation through adversity. It is for anyone feeling tested by life, especially those struggling with grief from any cause or working in the fields of healing, counselling, or bereavement. It is a book full of riveting stories from those who have broken through rather than broken down, stories that lighten the spirit and offer a collective blueprint for human potential in the face of difficulty. Author Carmella BHahn speaks from a place of deep personal experience. Her five-year-old son, Benjaya, drowned in a river in England in 1992 -- an event that subsequently became her greatest teacher. In 1997, she began a quest to determine whether those who face traumatic challenges in life have the greatest opportunity to wake up from automatic pilot and discover their innate resilience. By interviewing people who have experienced and healed from the effects of major adversity, she sought to discover what keys allow us to thrive rather than just survive. Interviewees whose healing stories appear in the book, include Arun Gandhi, grandson of Mahatma Gandhi, Hafsat Abiola, whose parents were both assassinated in Nigeria for fighting for democracy, Cambodian and Bosnian children of war, individuals who have faced AIDS, cancer, a car crash, a house fire, divorce, death of a child, suicide of loved ones, a fireman who worked in the heart of the rubble on September 11th in New York City, and many more. The personal stories, which represent people from different ethnicities, economic levels, religious beliefs, sexual orientations, and disabilities, take people on a voyage of discovery, inspiring new perspectives on traumatic events and offering practical keys to effective living. After each section of the book, there are questions and reflections to help readers internalize the content of the book in a real and self-revealing manner.
