Once upon a time Cliff Moon, 1984

The Feminist's Guide to Raising a Little Princess Devorah Blachor, 2017-11-07 "May God grant me the serenity to accept the color pink, the courage to not let my house become a shrine to pink and princesses, and the wisdom to know that pink is just a color, not a decision to never attend college in the hopes of marrying wealthy." - from *The Feminist's Guide to Raising a Little Princess* Smart, funny, and thought-provoking, this book shows feminist parents how to navigate their daughters' princess-obsessed years by taking a non-judgmental and positive approach. Devorah Blachor, an ardent feminist, never expected to be the parent of a little girl who was totally obsessed with the color pink, princesses, and all things girly. When her three-year-old daughter fell down the Disney Princess rabbit hole, she wasn't sure how to reconcile the difference between her parental expectations and the reality of her daughter's passion. In this book inspired by her viral New York Times Motherlode piece "Turn Your Princess-Obsessed Toddler Into a Feminist in Eight Easy Steps," Blachor offers insight, advice, and plenty of humor and personal anecdotes for other mothers who cringe each morning when their daughter refuses to wear anything that isn't pink. Her story of how she surrendered control and opened up—to her Princess Toddler, to pink, and to life—is a universal tale of modern parenting. She addresses important issues such as how to raise a daughter in a society that pressures girls and women to bury their own needs, conform to a beauty standard and sacrifice their own passions.

Once Upon a Time Bruno Girveau, 2006 In recognition of the significance of Walt Disney's contributions to film and 20th century art, the organizers of the exhibit sought to present the sources that inspired Disney and his artists, and to present modern and contemporary works that reveal the ongoing influence of the Disney iconography.--Page 2 of cover.
