*Once More Upon a Time* Roshani Chokshi, 2021-10-05 What if true love wasn't lost—but taken by magic? From New York Times bestselling author Roshani Chokshi comes a whimsical romantic fantasy where an estranged royal couple must brave an enchanted realm—and their own hearts—to reclaim what was stolen. Once, Prince Ambrose and Princess Imelda were in love. But to survive a witch's curse, they surrendered the most sacred thing they had: their love for one another. A year and a day later, they are bound by marriage yet emotionally adrift, strangers sharing a throne—and silence. When a twist of fate offers them a rare chance to reverse the spell, they must set off together on a quest through a realm of magical riddles, talking beasts, and bewitching landscapes. But even more daunting than the trials ahead is the truth they've long forgotten: how it felt to be in love and why it mattered. What readers are saying: Like a fairy tale told with a wink—whimsical, warm, and weird in the best way. —Goodreads reviewer The perfect palette cleanser between heavier reads. Charming, romantic, and laugh-out-loud funny. —reader review Roshani Chokshi's writing is velvet—lush, vibrant, and impossible to put down. —Book blogger, The Grimm Librarian If you love Naomi Novik, Alix E. **The Swan's Daughter** Roshani Chokshi,2026-01-08 Roshani Chokshi's sweeping new fantasy standalone brims with cursed love. This is the lush story of the swan and the prince who share a forged desire to become something more - to themselves, and to each other. Prince Arris knows that marriage means murder. After poorly wording a wish to a sea witch, all one needs to rule the Isle of Malys is the heart and hand in marriage of the kingdom's heir. Thus, Arris expects that the day of his marriage will be the one of his murdering. His only chance at a long life is finding true and lasting love. When Arris's parents announce a tournament of brides to compete for the throne, a slew of eligible, lovely and (possibly murderous) bachelorettes make their way to Rathe Castle. But Arris cannot tell who is here out of love for him . . . or lust for power. Until he meets Demelza. As a veritas swan, Demelza's song wrings out the truth. Forced into hiding, Demelza strikes a deal. Arris will provide her with safekeeping in exchange for her truth-telling song to sort through his potential brides. While Arris is used to dodging death threats and Demelza is accustomed to fighting for her voice to be heard, to survive the tournament of brides requires a different kind of bravery. And perhaps the bravest thing one can do is not merely protect one's life but find the courage to chase a life worth living.
