*The Broken Road* Richard Paul Evans, 2017-05-02 Struggling with nightmares about his childhood despite his success, Charles James explores the possibility of second chances after a twist of fate causes him to be declared dead.

The Broken Road Richard Paul Evans, 2018-05-01 A broken man. A twist of fate. A second chance. The #1 New York Times bestselling author of *The Mistletoe Promise* and *The Walk* begins a riveting new trilogy that explores the tantalizing question: What if you could start over? Chicago celebrity Charles James can't shake the nightmare that wakes him each night. He sees himself walking down a long, broken highway lined in flames. Where is he going? Why is he walking? What is the wailing he hears around him? By day, he wonders why he's so haunted and unhappy when he has all he ever wanted—fame, fans, and fortune and the lavish lifestyle it affords him. Coming from a childhood of poverty and pain, this is what he's dreamed of. But now, at the pinnacle of his career, he's started to wonder if he's wanted the wrong things. His wealth has come legally, but questionably, from the power of his personality, seducing people out of their hard-earned money. When he learns that one of his customers has committed suicide because of financial ruin, Charles is shaken. The cracks in his façade start to break down, spurring him to question everything: his choices, his relationships, his future, and the type of man he's become. Then a twist of fate changes everything. Charles is granted something very remarkable: a second chance. The question is: what will he do with it? *The Broken Road* is an engrossing, contemplative story of redemption and grace and the power of second chances. It is an epic journey you won't soon forget.

**The Forgotten Road** Richard Paul Evans, 2019-04-30 The second novel in the New York Times bestselling trilogy from Richard Paul Evans about a man on an inspirational pilgrimage across Route 66 to find his way back to himself. Chicago celebrity and successful pitchman Charles James is supposed to be dead. Everyone believes he was killed in a fiery plane crash. But thanks to a remarkable twist of fate, he's very much alive and ready for a second chance at life—and love. Narrowly escaping death has brought Charles some clarity: the money, the fame, the fast cars—none of it was making him happy. The last time he was happy—truly happy—was when he was married to his ex-wife Monica, before their connection was destroyed by his ambition and greed. Charles decides to embark on an epic quest: He will walk the entire length of Route 66, from Chicago to California, where he hopes to convince Monica to give him another shot. Along the way, Charles is immersed in the deep and rich history of one of America's most iconic highways. But the greater journey he finds is the one

he takes in his heart as he meets people along the road who will change his perspective on the world. But will his transformation be enough to earn redemption?

**Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

The other side wields weapons of destruction against the world's harshest and nastiest enemies. As the co-founder of Tactical Redemption, he takes the fight to his enemies. Both sides share a single trait. Cole doesn't trust anyone. It's been broken too many times by a former teammate, his obsessive ex-girlfriend. And his wife. The woman he never got over. Evie Banks never had a chance to be her own person. As the daughter of a high-level money launderer, her future was decided for her. She stayed true to her father's wishes, until one summer when she didn't. A whirlwind romance on the beach in Mexico led to

finding love and saying vows. And then it ended with heartbreak and lies. Evie accepted her fate. As the face of the Syndicate, she works for them against her will, plotting and planning an escape that never comes, all while funneling sensitive information to a black-ops team who help the people she's forced to put in danger. She'd given up the fantasy of a happily ever after with the surfer who stole her heart ten years before. Until he shows up and all the broken truths come to light. Anger and lust simmer, waging a battle of heartache in a time of crisis. Can Cole and Evie put the lies from their past behind them and learn to trust each other? *The Noel Diary* Richard Paul Evans, 2017-11-07 Now a Netflix film starring Justin Hartley! In this holiday-themed novel from the #1 New York Times bestselling author of *The Mistletoe Promise* and *The Walk*, a man receives the best Christmas present he could ask for: the chance to rewrite the past. Bestselling romance author Jacob Churcher hasn't been home for almost twenty years—not since his mentally ill mother kicked him out of the house when he was just sixteen. When a lawyer calls, days before Christmas, to inform him that his estranged mother has passed away and left her house to him, Jacob returns not just to settle the estate but to try and reconcile with the past and the pain and abuse he experienced as a child. Also, maybe cleaning out her house will be slightly less depressing than spending the holidays alone, watching re-runs of Christmas classics. But as it turns out, the house holds more than just difficult memories, Jacob's mother had become a hoarder and he must excavate through two decades worth of clutter. As Jacob digs through the detritus, like an archaeologist, he uncovers many puzzling items including a diary left by someone named Noel, a young woman he has no recollection of, who stayed with Jacob's family during her pregnancy. That's not the only echo from the past. Jacob has an unexpected visitor, Rachel, a woman looking for the mother who put her up for adoption thirty years before. United by their quest to make sense of the past and rewrite their futures, Jacob and Rachel begin a search for Noel. Along the way they find more than they possibly imagined, including grace, forgiveness and a chance at love.

**Broken Redemption** Melissa Huie, 2022-05-25 Broken Redemption Book 4 Sketch Davis had a reputation in the Special Forces as a soulless-killing machine with a penchant for interrogation. He excelled at it. He was a beast. But when he almost lost his humanity in the rainforest of South America, he had to put the beast in his cage. That is ... until the Syndicate killed his younger sister in front of him. Now he's just as lethal, as one of the commanders of Tactical Redemption, an elite undercover military team that is chasing after the Syndicate and the Cruz Cartel. Now the beast is ready to fight. Fight for the family he failed to protect. Fight for the family that surrounded him in his hour of need, for the woman that is the only one capable of taming the beast. This is his last chance at redemption. Charlie Parker is used to being overlooked. Her older sister, Kate, is a kick-ass former FBI agent and now part of a Black Ops military team. Her older brother, Cole, rose high in the Seals. So Charlie is making her own name as a chemist with an attitude. Her work with Bowen Biotech is going to

replicate the drugs on the street and try to see how they can act against the deadliest of diseases and cancers. Her work is thrilling. Her love life - meh, not so much. Too bad the only guy she's crushing on is her brother's best friend. Moody, quiet, and covered in tattoos, Charlie knows that Sketch isn't the monster he claims to be. If only he'd let her in. But then life has other plans. Tragedy strikes Charlie's normally quiet life, and the Syndicate is to blame. On the run to keep her and everyone else safe, Charlie and Sketch disappear and go off grid, knowing that the Syndicate and Cartel are hot on their trail. With no one to help them, they must depend on each other when the going gets tough. After weeks on the run, they let their guard down. And let each other in. Until they receive a message that threatens the most innocent. Charlie must break a vow of her own, and Sketch's redemption is broken. Broken Redemption is the hot, thrilling latest installment of The Broken Road Series. With extremely sexy content, graphic violence, and edge-of-your-seat suspense, Broken Redemption is only for mature audiences.
