The Complete Guide to Rottweilers Vanessa Richie, 2019-11-01 With their broad shoulders and muscular frames, the Rottweiler is a large breed of dog that has undeservedly earned a reputation for being scary, intimidating, and aggressive. However, they can actually be incredibly goofy and friendly, acting more like clowns than protectors. There is no doubt that they can make great guard dogs, but proper training and socialization also can make them a perfect family dog who will get along with everyone they meet. The Rottweiler history goes back thousands of years, evolving from Mastiffs who worked with the Romans. They have been working alongside people for their known history, working as fighters, herders, and protectors. Today, the breed is utilized in work with military personnel, police, and security experts. At first glance, a well trained Rottie can be an intimidating sight, due to their size, muscle mass, and serious expression. This guide will walk you through the in's and out's of owning this phenomenal breed. Whether you're someone playing with the idea of getting a Rottie, or have already embarked on your journey with your pup, this guide will offer an insight into how to create a happy and fulfilling life for you and your Rottweiler. This book will answer all your questions such as: Is a Rottweiler the right dog for me? I brought my Rottie home. What now? How can I successfully train my Rottweiler? What are some common mistakes should I avoid? Topics covered in the book include: Rottweiler Breed History and Characteristics Loyal, Loving Guardians -Determining If the Rottweiler Is the Right Breed for You Finding Your Rottweiler Preparing for Your Rottweiler Puppy Bringing Home Your Rottweiler The First Month Housetraining Socialization and Experience Living with other dogs Training You Rottweiler Puppy Basic Commands Nutrition Exercising - Great Exercise Partners Grooming - Productive Bonding Health Issues Rottweiler Health Concerns Your Aging Rottweiler What their reputation often overlooks is just how much personality Rottweilers have. They can be great guardians, but the vast majority of the time, they are goofy pups that consider themselves lap dogs. It's not unusual for a full sized Rottie to try to flop down on top of your lap while you sit on the couch, or to dance at your feet begging for you to run around outside with them. They love to play and are very trainable, simply because that training means spending more time with you. This wonderful, loving, and affectionate breed can be the perfect addition to the right home. Is a Rottweiler the breed for you? Find out inside "The Complete Guide to Rottweilers".

Rottweiler Training Guide Leanna Holst, 2015-02-02 If you're thinking of raising a Rottweiler, you should be prepared to

train it. Rotties make amazing pets and companion dogs, but if not properly trained, they can become a handful and cause problems in your home. A number of Rottweiler owners actually choose to hire professional dog trainers for the task. However, with sufficient knowledge and time to put in, you can train your Rottie on your own. Rottweilers are smart, and they pick up on things quickly, so with proper training, your Rottie can become very obedient in no time. This book not only provides useful training tips simple enough to use on puppies, but it also teaches you how to correct bad behavior in adult Rottweilers too. From teaching your Rottweiler how to follow simple commands, to ensuring that you have a happy and well-behaved dog, to avoiding common mistakes and frequently encountered issues, we've got it covered!

Rottweiler Training Claudia Kaiser, 1900 Rottweiler Training - Dog Training for your Rottweiler puppy The training of dogs is often... .. confused with classical dog training drills ... only considered necessary for demanding dogs ... mocked by other dog owners ... replaced by anti-authoritarian methods ... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your Rottweiler profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is "normal" for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your Rottweiler will show characteristics which are different to those of a Husky, for example, and this is predominantly what you need to consider during training. This book is vol. 1 of the Rottweiler training books. Vol. 2 for your grown up Rottweiler is also available with the title Rottweiler Training Vol. 2: Dog Training for your grown-up Rottweiler Author Claudia Kaiser says about her book: "It was my desire to let other dog owners profit from the knowledge I have

gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship." Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your Rottweiler. Get your copy of this book today and experience... .. how your Rottweiler sees his world ... and how you can progressively train your dog to receive the best results. Your Rottweiler will appreciate it... .. so this is my advice: Don't hesitate to buy this book!

Rottweiler Training Guide Jacki Vanuden, 2021-08-07 Are you struggling with training your Rottweiler, or thinking about getting a Rottweiler puppy? Does your Rottweiler ignore you or disobey your commands and you don't know why? Are you

worried about your Rottweiler having aggression issues? If you answered yes to any of these questions, then maybe I can offer you some helpful advice. This book is not going to cover bringing home a Rottweiler, choosing a Rottweiler puppy or the origin of the breed. It is not going to cover what to feed him/her, grooming or health. I am going to assume that you either already have one of these noble dogs or have thoroughly done your research. I will try and eliminate all of the filler and fluff with this book and not drag it out just so I can make it a little longer. I will quickly give you my opinion on Rottweiler's though. I think they are great. This book is going to cover teaching a Rottweiler the basic fundamentals which I believe are very important for not only the Rottie, but for every dog that takes a breath.
