Coop's Corner Collection William M. Cooper, 2012-10 *Coop's Corner Collection: Inspirational Stories and Poems* is a marvelous collection of short stories and poems that reinforce such noble characteristics as love, duty, respect, honor, self-sacrifice, patience, humility and compassion. Readers will put themselves in the stories and find wisdom and truths that they can live by. William Cooper is a wonderful dreamer. He puts together his little stories like the child with the still impressionable mind that dreams of a better world for all of us. And you can tell he writes his stories so that everyone can read them ...adults and children alike. Parents don't have to worry about their youngsters reading questionable material. But most importantly, the stories have their own little messages. They're stories of honor, strength, kindness, and love ...even love for enemy. And Cooper's writings are vivid ...you see things, places, and people so clearly, yet without long passages of descriptive writing. A talent in and of itself. - Robert G. Christie, filmmaker, RC Feature, Columbus, Ohio William M. Cooper grew up in Odessa, Texas. I don't write in hopes of seeing my name on a book cover, rather I write because I have a message that above all else, human beings can be noble creatures. Constitutional Change in the Commonwealth Caribbean W. Elliot Bulmer, 2024-12-31 The Commonwealth Caribbean is experiencing a new wave of constitutional change, with constitutional review and reform on the political agenda in many countries across the region. This report from International IDEA and UNDP examines the agendas for change, the salient issues across the region and the options for reform. Informed and inspired by a conference hosted by International IDEA and UNDP in Bridgetown, Barbados, in June 2023, the report enables the sharing of experiences and the cross-pollination of ideas from across the region. It brings together the perspectives of Commonwealth Caribbean constitutional scholars and leading practitioners of constitutional change, including government ministers, other senior parliamentarians, members of constitutional reform commissions or committees, and international advisors from UNDP and International IDEA. This report will be useful to anyone involved in these constitutional review and reform processes, whether governmental,

intergovernmental, non-governmental or academic.

The 21st Century in 100 Games Aditya Deshbandhu,2024-06-20 The 21st Century in 100 Games is an interactive public history of the contemporary world. It creates a ludological retelling of the 21st century through 100 games that were announced, launched, and played from the turn of the century. The book analyzes them and then uses the games as a means of entry to examine both key events in the 21st century and the evolution of the gaming industry. Adopting a tri-pronged perspective — the reviewer, the academic, and an industry observer — it studies games as ludo-narratological artefacts and resituates games in a societal context by examining how they affect and are engaged with by players, reviewers, the gaming community, and the larger gaming industry. This book will be a must read for readers interested in video games, new media, digital culture (s), culture studies, and history.
