A Pale Horse Wendy Alec, 2012-11 Ten of the world's former super economic regions including the entire Middle East and China, now ravaged by inflation and famine form a one world government under the iron rule of President of the the European Union--Lucifer's clone--Adrian De Vere.

Son of Perdition Wendy Alec, 2018-05-29 Three brothers. Power beyond reckoning. And a terrible betrayal. Adrian De Vere is the most powerful and charismatic politician on the planet. To many he heralds a future filled with peace and prosperity. Jason De Vere controls a third of the world's media through his communications empire VOX. Brilliant and tenacious, little happens in the world without him knowing. Nick, international playboy (and archaeologist), is dying, a victim of his own recklessness. He has made a remarkable discovery he hopes may save him, but does not know how or what the cost will be. Despite their wealth and fame, the brothers' family history is shadowed in lies. Now, with powerful forces both sacred and diabolical at play, one will betray the others - in an almost unimaginable way ... There could be no bigger canvas for film-making. - Mark Ordesky (Executive Producer - Lord of the Rings) Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world. Ileen Maisel (Executive Producer for the Golden Compass) This is the best work of fiction I have read since the last installment of Dean Koontz' Frankenstein series Jim McDonald - 1340Mag - Online Entertainment Magazine

**The Fall of Lucifer** Wendy Alec, 2018-05-29 In the beginning... Three brothers - Gabriel, Michael and Lucifer. Royalty. Archangels. United in devotion to their father and all his works. But when Lucifer learns of their father's latest creation - a new race, fashioned from crude matter and yet made in his image - he is consumed with resentment. Why have he and his angelic kind been overlooked? After a bitter confrontation, Lucifer is cast out, doomed to an eternity of exile and punishment. Unrepentant, he vows he won't suffer alone. Mankind has made a powerful enemy - one determined to lure it into darkness and torment any way he can... "There could be no bigger canvas for film-making." - Mark Ordesky (Executive Producer - Lord of the Rings); "Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world." Ileen Maisel (Executive Producer for the Golden Compass) "This is the best work of fiction I have read since the last installment of Dean Koontz' Frankenstein series" Jim McDonald - 1340Mag - Online Entertainment Magazine.

**End of Days** Wendy Alec, 2018 Brothers at war. Mankind deceived. Hell on Earth. A man face down in the dirt amid melting Arctic snow, a deep sense of unease but no memory of how he got there - Jason De Vere, once the head of a global media empire. Found and briefly taken to a safe house, Jason's soon on the run again - there's a 50-million-dollar bounty if he can be taken alive. Thrown together with his ex-wife and a crusading young journalist, Jason begins a desperate search for answers. It's a race against time, a fight for survival - and the stakes are higher than he could possibly have imagined. 4 billion microchips - promising miraculous benefits - are being shipped to population centres around the world. And soon every human being on Earth will have to make a choice... CHRONICLES OF BROTHERS is the story of three brothers fighting for the future of humanity. From desert tombs, to the towers of Wall Street, to the ancient past, this super-epic tale reveals the hidden history of mankind and the origins of evil itself.

**Messiah** Wendy Alec, 2007 'The Chronicles of Brothers' series of novels follows three archangels: Michael, Gabriel and Lucifer. The story covers their harrowing journey from the flawless world of the palace chambers in the first heaven through Lucifer's banishment with his fallen host to Perdition.

**The New Apostolic Reformation** John Weaver, 2016-04-27 From Justin Bieber, to Sarah Palin and Michele Bachmann, to the controversial documentary Jesus Camp (2006), the New Apostolic Reformation's influence can be seen everywhere in mainstream America. Beginning with an examination of the Latter Rain, Church Growth and Shepherding movements, this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life. The author describes the New Apostolic Reformation's organization, how the movement spread and its national and international objectives.

*The First Judgement* Wendy Alec, 2018-05-29 The saga continues... Banished from heaven, Lucifer, King of Perdition, presides over hell. Fired by hatred, he has a single goal: to lure unwitting mankind into damnation. And little by little, he is succeeding. But the omens point to a shift in the balance of power. A star burns brightly over planet Earth, heralding the arrival of a child king. The Nazarene. Humiliated, Lucifer is returned to Perdition, mutinous and defiant. Summoning the councils of hell, Lucifer conspires again against the race of men. The fallen will visit the Earth. A new Messiah will be cloned - an earthly emissary to carry out his twisted plans... There could be no bigger canvas for film-making. - Mark Ordesky (Executive Producer - Lord of the Rings) Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world. Ileen Maisel (Executive Producer for the Golden Compass) This is the best work of fiction I have read since the last installment of Dean Koontz' Frankenstein series Jim McDonald - 1340Mag - Online Entertainment Magazine.

**The Fall of Lucifer** Wendy Alec, 2006

The Covenant of Salt Nguumbur Lovette Ikongo, 2019-07-12 In the Covenant of Salt, Nguumbur takes you on a journey

that will give you hope and encouragement. She explores with authority insights on Gods ways and shows by biblical examples and personal experiences how He relentlessly pursues the people He created. She breaks down in practical terms what the salting process means for us today and its relevance in navigating the painful and daunting challenges of life - from confronting and defeating giants to the art of living at the Table, to discovering your true identity and actualising your true purpose. This book is for everyone who has ever struggled with either sin or pain and thought, "God is not able or willing to help me with this." It is for everyone who has ever been in deep crisis and cried out for help and, finding none, resigned themselves to their situation. It is for everyone who has ever been delivered from shame and disgrace, and then found themselves in the same mess all over again, no matter how hard they tried. It is for everyone who has suffered abuse, lost spouse, children, friends, job, and possessions trying to find themselves in this world. It is for everyone who finds themselves perpetually asking, "Why me? Why am I here? Will I ever make it?" Hopefully, this book will provide the answers you seek. You will discover that God is real. He is still as active and potent in our day and in our individual lives as He was in the days of the Bible. You will find that he is the healer of hearts, binder of wounds, and restorer of lost lives and fortunes. He flows through our lives and fills every part of it with His relentless and wild love. This book will not only change the way you see God in your life, it will give you hope, encourage your heart and deepen your relationship with Him.

Wounded Warriors Wendy Alec,2018-11-30 If you have longed for the Father's answers as your heart has been secretly breaking...find supernatural strength and impartation, immense encouragement and renewed hope within these pages Wounded Warriors is a collection of posts from Wendy's public facebook page and additional material. These posts which appeared over the course of a year specifically recounted deeply personal prophetic and seer encounters between the Father, Jesus and Wendy during a time of her intense emotional struggle in the aftermath of seperation and divorce. Wendy's heartfelt, personal messages resonated with so many people who have also found themselves in the icy grip of abandonment and heartbreak, facing an uncertain future. This book will bring consolation and hope, joy and focus for the journey out of the loneliness and silence of the wilderness. ...Know this, beloved child of my heart, the tsunami is over, the robbery, grief and loss of yesteryear are swiftly coming to an end. And our great and marvellous Emperor would lift your face tenderly to His and whisper, ... It is time to rise. Come away, my beloved, come away and dance with me.

*A Pale Horse* Wendy Alec,2018-05-29 A new order. An ancient evil. A battle about to begin. It is the near future. Adrian De Vere, President of the European Union, oversees the signing of an unprecedented international treaty, ushering in a new era of one-world government. Jason De Vere, media mogul, finds himself forced out of the empire he helped create. With friends, allies and even family turning against him, help comes from an unexpected quarter... Nick De Vere, archaeologist and playboy - and newly returned from the dead - leads Jason into an underground world of hidden knowledge and forbidden

secrets. Together they must face down the most ruthless of adversaries: their own brother. As the Antarctic ice gives up a grisly secret, and shadowy figures are plotting behind the scenes, armies of good and evil are being marshalled for the conflict to come. Operation Pale Horse is underway... There could be no bigger canvas for film-making. – Mark Ordesky (Executive Producer – Lord of the Rings) Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world. Ileen Maisel (Executive Producer for the Golden Compass) This is the best work of fiction I have read since the last installment of Dean Koontz' Frankenstein series Jim McDonald – 1340Mag – Online Entertainment Magazine.
