

When We Were Mermaids

Barbara O'Neal

When We Believed in Mermaids Barbara O'Neal, 2019 From the author of *The Art of Inheriting Secrets* comes an emotional new tale of two sisters, an ocean of lies, and a search for the truth. Her sister has been dead for fifteen years when she sees her on the TV news... Josie Bianci was killed years ago on a train during a terrorist attack. Gone forever. It's what her sister, Kit, an ER doctor in Santa Cruz, has always believed. Yet all it takes is a few heart-wrenching seconds to upend Kit's world. Live coverage of a club fire in Auckland has captured the image of a woman stumbling through the smoke and debris. Her resemblance to Josie is unbelievable. And unmistakable. With it comes a flood of emotions--grief, loss, and anger--that Kit finally has a chance to put to rest: by finding the sister who's been living a lie. After arriving in New Zealand, Kit begins her journey with the memories of the past: of days spent on the beach with Josie. Of a lost teenage boy who'd become part of their family. And of a trauma that has haunted Kit and Josie their entire lives. Now, if two sisters are to reunite, it can only be by unearthing long-buried secrets and facing a devastating truth that has kept them apart far too long. To regain their relationship, they may have to lose everything.

The Accidental Mermaid Robert E. Thornsberry, 2012-03-20 What would it be like if you were suddenly turned into a mermaid? Or found that you've become a legendary wielder of Force powers? Try bringing a cursed shaman's mask to a cosplay/sci-fi/comic book convention and you might just find out!

Where We Go When All We Were Is Gone Sequoia Nagamatsu, 2021-12-23 A combination of the mystical, magical, and marvelous, Sequoia Nagamatsu weaves a collection of bold, hysterical, and moving tales into an unforgettable debut. From shape-shifters, to star-makers, to babies made of snow, the characters in *WHERE WE GO WHEN ALL WE WERE IS GONE* form a community of longing, of the surreal, of wonder. What a joy it is to read each and every story. --Michael Czyzniejewski

Beckoned by the Sea Sylvia Taylor, 2017-06-07 A rich and diverse tapestry weaving together the many voices, narratives, skills, and talents of women up and down the coastal Pacific Northwest who devote their lives and careers to the sea. *Beckoned by the Sea* celebrates coastal women from northern BC to northern California who work on or with the sea. The twenty-four women featured in this inspiring and fascinating book represent a variety of industries—from conservation, commercial fishing, and marine biology to safety and rescue, tourism, and the arts. Weaving together elements of social history, culture, geography, and environmentalism, author Sylvia Taylor draws on in-depth interviews, meticulous research,

and her own experience as a deckhand on a commercial fishing boat. Beckoned by the Sea investigates the myriad ways in which women have contributed to the marine industries that sustain the people and shape the culture of North America's west coast—and reveals how the sea itself has touched the lives of these women by giving them not just a livelihood but an infinite source of inspiration and personal fulfillment.

Beware the Mermaids Carrie Talick, 2021-08-10 A "smart, sassy, and suspenseful" debut novel about betrayal, female friendship, and an epic yacht race—for fans of Elin Hilderbrand and Susan Mallery (Shelf Awareness). Hermosa Beach housewife Nancy Hadley is no pushover. So when her philandering husband, Roger, is caught in flagrante with an opportunistic widow on their racing sailboat, Nancy sticks it to him. She tells him she wants a divorce—with the sailboat, Bucephalus, part of the deal, too. Roger would rather make Nancy's life a living hell than give up his boat. But Nancy has other plans. After moving out of their opulent home, she and her posse of girlfriends invest in a racing boat of their own to live on, and she teaches them the fine points of sailing. Meanwhile, and unbeknownst to Nancy, a big real estate development is under way that would destroy her beloved harbor and new home. When scheming Roger returns to ask Nancy to help capture the last committee vote—held by Nancy's old college friend—Nancy prepares for battle. Nancy is not skittish about taking a few risks, so in a bold gambit, she makes a bet with Roger: a showdown in the thrilling Border Dash Race from Newport Harbor down to Ensenada, Mexico. The winner of the race will get everything they want. The stage is set for the race of a lifetime—and the tantalizing possibility of new romance for Nancy—in a novel as heartwarming as it is breathlessly exciting.

The Rising of Dawn and Her Vampire Crew Brian Painter, 2019-09-23 Satan's Maze is a great book filled with incredible dialogue and great fight scenes. Dawn and her crew are now faced with the dilemma of saving the world from a horrible creature. This creature's so powerful that they bring in the old Egyptian gods as well as team up with someone Dawn swore she was done with. So if you want to read a book with all those incredible twists and turns we all look for, well, here it is. Dawn and her crew are unstoppable in this edge-of-the-seat-reading book. By this I mean you will not want to set this book down, and you will want to jump on the bandwagon that's reading all The Rising of Dawn and Her Vampire Crew books.

Mermaid Carolyn Turgeon, 2011-03-01 A surprising take on Hans Christian Anderson's classic tale, Mermaid is the story of two women with everything to lose. Princess Margrethe has been hidden away while her kingdom is at war. One gloomy, windswept morning as she stands in a convent garden overlooking the icy sea, she witnesses a miracle: a glittering mermaid emerging from the waves, a nearly drowned man in her arms. By the time Margrethe reaches the shore, the mermaid has disappeared into the sea. As Margrethe nurses the handsome stranger back to health, she learns that not only is he a prince, he is also the son of her father's greatest rival. Sure that the mermaid brought this man to her for a reason, Margrethe devises a plan to bring peace to her kingdom. Meanwhile, the mermaid princess Lenia longs to return to the human man she

carried to safety. She is willing to trade her home, her voice, and even her health for legs and the chance to win his heart.... Beautifully written and compulsively readable, Mermaid will make you think twice about the fairytale you heard as a child, keeping you in suspense until the very last page.
