*Island of the Blue Dolphins* Scott O'Dell, Sara L. Schwebel, 2016-10-04 This is the first authoritative edition of one of the most significant children's books of the twentieth century. Winner of the 1961 Newbery Medal, *Island of the Blue Dolphins* tells the story of a girl left alone for eighteen years in the aftermath of violent encounters with Europeans on her home island off the coast of Southern California. This special edition includes two excised chapters, published here for the first time, as well as a critical introduction and essays that offer new background on the archaeological, legal, and colonial histories of Native peoples in California. Sara L. Schwebel explores the composition history and editorial decisions made by author Scott O'Dell that ensured the success of *Island of the Blue Dolphins* at a time when second-wave feminism, the civil rights movement, and multicultural education increasingly influenced which books were taught. This edition also considers how readers might approach the book today, when new archaeological evidence is emerging about the Lone Woman of San Nicolas Island, on whom O'Dell's story is based, and Native peoples are engaged in the reclamation of indigenous histories and ongoing struggles for political sovereignty.

About the Novel: The classic story, *Island of the Blue Dolphins*, is based on the true story of a woman marooned on San Nicholas Island during the early 1800s. Karana, her family and her people are living on the island when the Aleuts (Russians) arrive to hunt the sea otters. The Aleuts kill the natives leaving Karana and her brother Ramo stranded on the island. Soon after, wild dogs kill Ramo, and Karana is left to struggle on her own. For eighteen years she lives to survive the weather, the animals, the Aleuts and the loneliness. This story is about a strong and courageous woman who proved that with determination, nothing is insurmountable.

It's the reason Zia came to the Santa Barbara Mission in the first place. The reason she braves the treacherous ocean waters again and again to rescue Karana. But every time she tries, she fails. Finally, Zia's aunt is brought to her. Finally, her greatest dream has come true. But sometimes the reality is not nearly as sweet as the dream. Zia tells those facts so far as they are known from the point of view of a girl who has her own story to tell.
