2000 Titbits & Satires M.S.Choubey,1999-07 This book is a treasure-trove of 2,000 witty and humorous statements on different aspects of daily life. What makes this book the only one of its kind in the world, though, is the fact that each of these titbits begins with the word - IF. In the book the author has made amusing, amazing and significant comments on 351 different aspects of human life. As you read through the book, the author's comments will, in turns, make you grin, guffaw, smirk and laugh. With the witty statements arranged in alphabetical order, there will never be a dull moment as you breeze through these pages.

Pandora's Poetry Keerti Gupta,2019-10-04 Pandora was told that the box was dangerous, menacing, and evil. But here's what she wasn't told—it isn't the box that is dangerous; it's the idea of locking up its insides that is. Taboo and stigma have conquered the narrative of womanhood to such an extent that women often feel devoid of their own qualities. Pandora's Poetry is a collection of poems that aims to unleash the truths of womanhood in an unapologetically authentic manner. Embedded with Indian context, and constantly borrowing elements from other cultures, this collection of poetry explores menstruation, patriarchy, abuse, body image, toxic masculinity, and resilience with beacons of hope and unyielding power. Open the box and be amazed by the liberation you'll find sedentarily sleeping within its interiors.

Communications From Your Angels Shama Noorani Choudhary,2012-12-04 Communications From Your Angels is a compilation of channeled messages from the Archangels. While these messages were passed on at different points, and through various events, they work like everyday reminders to guide you back to what really matters in your life- the abundance of love. 'Communications from your Angels' has been printed as it was originally channeled, without any editions made by the human mind. The pure spiritual content has been maintained, so that it would not lose any of its efficacy and magic. There is no hard and fast rule for using this book to guide you as everyone has a unique style of using divination books and oracle cards. However the author would like to share an initial way of using this book, for those of you who are uncertain. For the e book you can open the chapters page, shut your eyes, then hover your cursor over the titles, stop when you hear your higher self asks you to, then click on that particular page. You will be ever so pleased, to read the answer to what is most important in your life at that particular time, or an empowering affirmation and visualization for the day. For the physical copy, hold your book cupped within your hands, close your eyes, then think of the question you want an answer for.

Once you have done this, fan the pages with your thumb and stop when your higher self asks you to; then open the page. 'Some of you may wonder what I mean when I say 'Listen to your higher self ' some may even get confused. Believe me, there is no need to allow confusion to stop you from imbibing from these empowering chapters, all you need to do is go with the flow and listen to your heart' says Shama.

The Panorama Hansa,2020-12-04 Looking outside the window every morning, I welcome the Sunshine And Thank the rays of the Sun For the beautiful and Eventful Day For giving me the Energy and Strength TO gauge something New and Share with the World Which is the eye and ear of my learning, and the mirror of my life. As a kid I was always intrigued by the mysteries that surround people, places and incidents. I have been a researcher in terms of looking out for the truth. Though curiosity can lead to problems but I feel that it gives you a sense of satisfaction and mental peace once you get the closure. In the hope and positive attitude that the heartfelt emotions being presented by me in this book will reach the people who want to build a good and strong character. Earning good money and achieving degrees and popularity are of No worth if a person's values are at stake. I have learned in all these years of hardship that Morals, Upbringing and Values should never be compromised if one has to reach the top. Because the Sooner you will reach the top, the faster you can fall on the ground. So let us all be careful and maintain our dignity. I have been hopeful however, I have had many setbacks. But this is Life...full of ups and downs. In a few people's period of existence there is more pain than blessings. Therefore, one must strive to do good deeds to earn more blessings. This book has got immense experiences which tell the depth of my true feelings and I wish this can help everyone who reads this book. It is a compilation of different events that have happened in my life and for making me the person I am today. When life hurls stones at you, Learn to use the shield of wisdom When life offers you Flowers, Learn to catch and harbor them Accept Life the Way It is, For it is the Hallmark of a Human. Let's get started with the roller coaster ride and the amazing events that define the life of today's human being. Stay with me in this journey and delve deeper into the real meaning of liveliness, faith and confidence.

Beauty Lies in the Eye of the Beholder... Caroline Brett, 2008 'Beauty lies in the eye of the beholder...' features out-takes from family portrait shots that Brett was taking of people's in their homes. Using mobile studio lighting and a digital camera, Brett captures those 'off' moments that everyone experiences in front of the camera. The photographer produced beautiful images for the families that she shot, simultaneously gathering the 'unwanted' photographs; unflattering poses and baby dribble included.
