**Edgar Cayce, The Meaning of Life and What to Do About It** Stephen Hawley Martin, 2021-02-07 Spirit is the life, mind is the builder, and the physical is the result. These words, repeated often by Edgar Cayce [1877-1945] while in a hypnotic trance, describe the formula behind the existence of the physical world and all its trappings, and that includes you and all life on earth. If you would like to know the meaning of life, how you came to be, and how to find purpose in order to make the most of it, this book is a must-read. Known worldwide during his lifetime as The Sleeping Prophet, Edgar Cayce twice-daily put himself into a hypnotic trance and was able to answer any question put to him. As the very extensive record shows, the accuracy of information revealed by Cayce that could be checked and verified was nothing less than extraordinary. Author and metaphysician Stephen Hawley Martin interviewed authorities steeped in the information contained in Cayce's more than 14,000 psychic readings and in doing so received answers to questions humans have pondered since they first came down from trees and walked upright on the African savanna. Martin shares the interviews and the answers in this volume, along with a bonus book, *The Magic of Mission: Discover Your Purpose, Find Meaning, Achieve Success, and Above All, Be Happy*, which he wrote to pinpoint a way for you to identify your mission and use Cayce's formula to achieve it. Edgar Cayce on Mastering Your Spiritual Growth Kevin J. Todeschi, 2011-06-01 EDGAR CAYCE ON MASTERING YOUR SPIRITUAL GROWTH What if God were completely loving, the universe completely orderly, and everything that transpired in life a purposeful experience chosen at some level by the soul for spiritual growth and soul development? Such is the premise of Edgar Cayce on Mastering Your Spiritual Growth. Drawing upon contemporary examples as well as historical case studies of individuals who received psychic guidance from Edgar Cayce, this insightful volume examines the activities of soul growth and the process of personal transformation that will ultimately enable all individuals to transform themselves as well as society and the world at large. For countless ages, people have asked Who am I? Why am I here? And does my life have a purpose? The answers to these questions were explored by thousands of individuals who came to famed psychic Edgar Cayce, and they are answers that are just as applicable today. The ultimate truth is that we are spiritual beings having a physical experience living purposeful lives in a process of soul growth. The keys to that process are working with a personal spiritual intent or ideal, discovering our own approach to personal attunement, and repeatedly working with personal application. The Cayce information contends that it is the inevitable destiny of every soul is to become cognizant of its true relationship to the Creator, eventually achieving spiritual enlightenment in the process. This stage of enlightenment was described by Cayce as the Christ Consciousness and has been demonstrated by such individuals as Jesus. What if a new understanding of the nature of the soul and the purpose of life on earth could transform humankind? Such is the premise in the Cayce information.

*Jesus As a Pattern* Edgar Cayce, 2008-02 The Edgar Cayce readings present Jesus' life as having meaning for every soul in the earth. Regardless of our religious or personal beliefs, Jesus' life of service provides an example for all of humankind and each of us will ultimately be challenged to fulfill that same pattern in our lives. The Cayce readings can help to provide insight into your life and your own patterns.

**The Essential Edgar Cayce** Mark Thurston, 2004-07-08 A complete guide to the work of the remarkable twentieth-century seer Edgar Cayce, featuring Cayce's most intriguing and influential readings, and a biographical introduction to his life. Edgar Cayce is one of the most mysterious men of the twentieth century. Sometimes called The Sleeping Prophet, he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning. The core of his life's work was actually being an intuitive healer and Christian mystic. More than one hundred books have been written about his teachings and his life story. Yet no book has combined insightful commentary with lengthy, verbatim selections of the full range of his contribution to holistic healing, practical spirituality, and the psychology of the soul. The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement, as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions. The book's substantial introduction frames Cayce and his life's work, and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant

readings. Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures.

**Edgar Cayce's Twelve Lessons in Personal Spirituality** Kevin J. Todeschi, 2010-07-18 For years Edgar Cayce, the most documented psychic of all time, provided a small group of individuals with lessons in soul growth and personal transformation. This volume presents a new look at those major principles. From the first lesson on cooperation through others on ideals, patience, oneness and love, this book provides specific tools for personal and spiritual development. The Cayce information suggests that each individual has a definite purpose for living. There is also the promise that with a spiritual intent we can come to understand that purpose. We are all here for a reason, a reason that joins us in search of a common heritage. Presented here are insights for awakening to our spiritual nature and to an awareness of the purpose of the soul. Edgar Cayce's Twelve Lessons in Personal Spirituality is designed as a tool for personal reflection, as a handbook for small group discussion, and even as a source of encouragement during those moments when the challenges of life seem more overwhelming than the beauty of it. For though we may be separated by language, or religion, or customs, or race, or even vast distances, we all share the earth as our temporal home, we are all Children of the same God, and we are all seekers along the way.

**Life Stories Life Readings** Numa Pillion, 2021-08-18 Author Numa Jay Pillion set out to achieve the dream he had nurtured for a lifetime. Years later, with only the clothes on his back, he began to question his purpose in life. He discovered

it in a Life Reading--a communication from the spirit plane delivered through a medium. In the process, he learned that the sexual orientation he had been struggling with was a byproduct of reincarnation; that we are, first and foremost, members of one spiritual world with the ability to contact beings in other realms. Part memoir, part window on seldom-glimpsed planes of existence, *Life Stories, Life Readings: True Stories of the Glory of Reincarnation from the Files of the Religious Research Foundation of America, Inc.* will take you on a spiritual journey you won't soon forget.

*The Edgar Cayce Handbook for Creating Your Future* Mark Thurston, PhD, Christopher Fazel, 1992-05-23 This remarkable handbook presents Cayce's twenty-four spiritual keys, which unlock the doors of self-understanding. They operate like formulas that teach us about the mysteries of living and are evident to anyone who is willing and able to look closely at life. As you will see, these principles can be applied to every situation, and you can begin to use them instantly in your everyday life: Everything Happens for a Reason; You Have a Purpose in Life; Love Means Honoring the Other Person's Free Will; Every Crisis Is an Opportunity for a Breakthrough, and many more. Filled with inspiring counsel, this is a truly accessible guide to the universal principles that govern the grand game of life. It can enable you to become a more creative, productive, and joyful person--a true co-creator with your higher power.

**Edgar Cayce's Readings** Gladys McGarry, William A. McGarey, M McGarey, Gladys McGarey, 1987-07 An inspiring guide examining Cayce's succinct, but practical advice on almost every aspect of marriage--from falling in love and choosing a mate to parenthood--discusses specific personal issues as birth control, homosexuality, infidelity and divorce.

**The Edgar Cayce Cosmology** Stephen Hawley Martin, 2018-11-18 If you'd like to know the meaning of life, how you came to be, and how to make the most of your life, this book is a must-read. Author and metaphysician Stephen Hawley Martin interviewed three authorities steeped in the information contained in the more than 14,000 psychic readings given by Edgar Cayce [1877-1944] and received answers to those questions as well as many more. Martin shares the interviews and the answers in this volume along with a book he wrote recently that you can use to help you find and pursue your purpose. Known worldwide during his lifetime as The Sleeping Prophet, Edgar Cayce twice-daily put himself into a hypnotic trance and was able to answer any question put to him. As the very extensive record shows, the accuracy of information revealed by Cayce that could be checked and verified was nothing less than extraordinary.

**Edgar Cayce and the Unfulfilled Destiny of Thomas Jefferson Reborn** Joanne DiMaggio, 2020-12-04 On June 23, 1936, Edgar Cayce, the most renowned psychic of the 20th century and the father of holistic medicine, gave a Life Reading for Thomas Jefferson (T.J.) Davis, the two-day old nephew of his secretary, Gladys Davis. In this Reading, Cayce identified one of the child's past lives as that of Thomas Jefferson, adding this stunning prediction—that he “may become more important in the affairs of the WORLD than this entity in its previous experience has been to America—Thomas Jefferson.” This book examines all the reasons why that prediction never happened. It is an endearing look at the relationship between Cayce and

young T.J., who was tutored by Cayce for the first nine years of the boy's life in preparation for the great work ahead of him. But it also explores how decisions made by T.J.'s absentee parents put their son's soul on a totally different path. For those who make the assumption that a soul that reaches the greatness of a Thomas Jefferson would continue its upward trajectory, this book clearly illustrates the role that free will plays in the outcome of any life. It is a classic case of karma in action, of synchronistic events that make one cringe to think how close and yet how far T.J. was from being the redemption of the world.
