Capitalize on competitive retail pricing in different markets, and use effective metadata to draw more readers to your books. Learn to: * Write compelling book blurbs for each title that focus on “reader cookies” and • marketing. * Unlock keywords and get access to hidden category options. * Take advantage of search algorithm nuances at Amazon, Barnes and Noble, Kobo, and Apple. * Use aggregators to increase distribution opportunities around the world. * Evaluate opportunities for direct sales to bookstores and individual consumers. **Secrets to Effective Author Marketing: It's More Than 'Buy My Book'** This book provides specific techniques to exploit the value of your books without resorting to the typical overexposure in social media and newsletters with “Buy My Book” sales messaging.
