Jim Butcher

Storm Front Jim Butcher, 2021-01-05 In the first novel in the #1 New York Times bestselling Dresden Files series, Harry Dresden's investigation of a grisly double murder pulls him into the darkest depths of magical Chicago... As a professional wizard, Harry Dresden knows firsthand that the "everyday" world is actually full of strange and magical things—and most of them don't play well with humans. And those that do enjoy playing with humans far too much. He also knows he's the best at what he does. Technically, he's the only at what he does. But even though Harry is the only game in town, business—to put it mildly—stinks. So when the Chicago P.D. bring him in to consult on a double homicide committed with black magic, Harry's seeing dollar signs. But where there's black magic, there's a black mage behind it. And now that mage knows Harry's name... "A great series—fast-paced, vividly realized and with a hero/narrator who's excellent company."—Cinescape

Dead Beat Jim Butcher, 2006-05-02 "The wildest, strangest, best Dresden adventure to date...Butcher's blending of modern fantasy with classic noir sensibilities ensures that there's never a dull moment."—SF Site Paranormal investigations are Harry Dresden's business and Chicago is his beat, as he tries to bring law and order to a world of wizards and monsters that exists alongside everyday life. And though most inhabitants of the Windy City don't believe in magic, the Special Investigations Department of the Chicago PD knows better. Karrin Murphy is the head of S. I. and Harry's good friend. So when a killer vampire threatens to destroy Murphy's reputation unless Harry does her bidding, he has no choice. The vampire wants the Word of Kemmler (whatever that is) and all the power that comes with it. Now, Harry is in a race against time—and six merciless necromancers—to find the Word before Chicago experiences a Halloween night to wake the dead...

Small Favor Jim Butcher, 2009-03-03 In this novel in Jim Butcher's #1 New York Times bestselling series, an old debt puts Chicago wizard Harry Dresden in harms way... Harry's life finally seems to be calming down. The White Council's war with the vampiric Red Court is easing up, no one's tried to kill him lately, and his eager apprentice is starting to learn real magic. For once, the future looks fairly bright. But the past casts one hell of a long shadow. Mab, monarch of the Sidhe Winter Court, calls in an old favor from Harry. Just one small favor he can't refuse...one that will trap Harry Dresden between a nightmarish foe and an equally deadly ally, and one that will strain his skills—and loyalties—to their very limits. And everything was going so well for once...

Cold Days Jim Butcher, 2012 Brought back to the mortal world as the Winter Knight to Mab, Harry Dresden is at the command of the Queen of Air and Darkness and is expected to kill an immortal, as he begins to realize there is a serious threat to endanger countless innocent victims unless he finds his way out of eternal subservience.

Battle Ground Jim Butcher, 2021-09-28 THINGS ARE ABOUT TO GET SERIOUS FOR HARRY DRESDEN, CHICAGO'S ONLY PROFESSIONAL WIZARD, in the next entry in the No. 1 New York Times and No. 1 Sunday Times bestselling Dresden Files. Harry has faced terrible odds before. He has a long history of fighting enemies above his weight class. The Red Court of vampires. The fallen angels of the Order of the Blackened Denarius. The Outsiders. But this time it's different. A being more powerful and dangerous on an order of magnitude beyond what the world has seen in a millennium is coming. And she's bringing an army. The Last Titan has declared war on the city of Chicago, and has come to subjugate humanity, obliterating any who stand in her way. Harry's mission is simple but impossible: Save the city by killing a Titan. And the attempt will change Harry's life, Chicago, and the mortal world forever.

Jim Butcher's The Dresden Files: War Cry Collection Jim Butcher, 2014-11-25 A war is raging between the vampire forces

of the Red Court and the White Council - a war that the wizards are losing. So desperate are the Council that they've dragooned the experienced and the outcast to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard-for-hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night. This graphic novel collects the critically acclaimed, five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more! Creator Commentary from Jim Butcher: The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short-story format, and in graphic novels like this one! War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels, and I'm extremely pleased with how well it's coming out.

Skin Game Jim Butcher, 2015-03-03 Chicago's only professional wizard is about to have a very bad day in the latest novel in the #1 New York Times bestselling Dresden Files... As Winter Knight to the Queen of Air and Darkness, Harry Dresden never knows what the scheming Mab might want him to do. Usually, it's something awful. Mab has traded Harry's skills to pay off a debt. And now he must help a group of villains led by Harry's most despised enemy, Nicodemus Archleone, to break into a high-security vault so that they can then access a vault in the Nevernever. Problem is, the vault belongs to Hades, Lord of the freaking Underworld. And Dresden is dead certain that Nicodemus has no intention of allowing any of his crew to survive the experience. Dresden's always been tricky, but he's going to have to up his backstabbing game to survive this mess...
