The Betrayal of Jean Whitney Keith Leroy Brooks,1927 The pastor of New Afton Congregational Church dies and is replaced by a modernistic young pastor. Jean Whitney puts a question point blank and gets an answer that ends her search for truth and sends her into the godless world. An evangelist conducts Jean's funeral and turns it into an altar call. A new pastor, who is a defender of the Faith, takes over.

The Seer Jim W. Goll,2004 The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange.
