Royal Society of Victoria (Melbourne, Vic.)

Adele Marc Shapiro,2012-07-17 Over the past year, Adele has taken the country by storm, sweeping the 2012 Grammy Awards and taking home six titles, including one for Album of the Year. The British singer-songwriter has been smashing records ever since her 2008 appearance on Saturday Night Live and her 2009 Grammy for Best New Artist. The success of her second album, 21, made her the first living artist since the Beatles to have two top-five hits in both the UK singles and albums charts. The album hit the #1 spot in 18 different countries. In the U.S., 21 is the longest running number one album by a female in Billboard history, surpassing Whitney Houston's The Bodyguard. To put it simply, her worldwide success is unmatched. This one-of-a-kind book will provide answers to fans' burning questions, including: —What was Adele's childhood like as the daughter of a single, teenage mother? —Growing up, who were her biggest inspirations and influences in the music industry? —As someone whose career depends on her voice, what was it like being diagnosed with a vocal cord hemorrhage? —How did canceling her Adele Live tour affect her career? —How did she make the decision to perform at the Grammys, while still recovering from vocal surgery? —And much more! A must-read for every Adele fan.

Contemporary Studies on Relationships, Health, and Wellness Jennifer A. Theiss,Kathryn Greene,2018-11-29 Discusses contemporary research that examines the ways that close relationships are involved in, and affected by, health and wellness.

Consumer-Brand Relationships Susan Fournier,Michael Breazeale,Marc Fetscherin,2012-03-29 The creation and management of customer relationships is fundamental to the practice of marketing. Marketers have long maintained a keen interest in relationships: what they are, why they are formed, what effects they have on consumers and the marketplace, how they can be measured and when and how they evolve and decline. While marketing research has a long tradition in the study of business relationships between manufacturers and suppliers and buyers and sellers, attention in the past decade has expanded to the relationships that form between consumers and their brands (such as products, stores, celebrities, companies or countries). The aim of this book is to advance knowledge about consumer-brand relationships by disseminating

new research that pushes beyond theory, to applications and practical implications of brand relationships that businesses can apply to their own marketing strategies. With contributions from an impressive array of scholars from around the world, this volume will provide students and researchers with a useful launch pad for further research in this blossoming area.

Things Fall Apart Chinua Achebe, 2009 The contemporary African writer's classic novel depicting the destruction of traditional tribal life by the white man.

Stop the Coming Civil War Michael Savage, 2014-10-07 In the book that predicted our current political climate, conservative talk-show host and #1 New York Times bestselling author Michael Savage shows how true patriots can defend America's freedoms before it's too late. The split between the right and the left is growing every day, and our country is in real trouble. Not between the states, but between true patriots who believe in our nation's founding principles and those he believes are working every day to undermine them and change the very nature of the country. Michael Savage is convinced we face more than just political differences. He believes the split between right and left is possibly irreversible unless we understand what's destroying American values and how to stop it. This fervent warning offers the Savage truth - a call to action in the voting booth - in order to defend the freedoms our Constitution so brilliantly established.

Human Relations Loren Ford, 2007 Using group discussion, and reader activities, this interactive and user-friendly "workbook" teaches readers practical skills for dealing with everyday situations. It balances coverage of theoretical concepts and research with interesting personal stories, anecdotes, and case studies, and applies theoretical concepts throughout. The author's counseling background and sense of humor in dealing with serious subjects encourages readers to try new behaviors in a safe environment. Students are given opportunities for practicing new skills in improving human relations. The volume addresses all aspects of human relations including laying the foundation, self awareness, dealing with emotions, family influences, developing close relationships and human sexuality, as well as coping skills, life changes and positive living. For individuals interested in improving human relations.

To Boulez and Beyond Joan Peyser, 2008 To Boulez and Beyond describes music in the 20th century through the lives and works of its creators, from Mahler and Wagner through the Second Viennese School, from Varèse to Boulez and his colleagues.

Emerging Perspectives on Chinua Achebe Ernest Emenyonu, Iniobong I. Uko, 2004 Chinua Achebe's influence on contemporary African Literature is as much evident in his art of the novel, as his articulation of African poetics and aesthetics in his extra fictional pronouncements. He is as much the father of the modern African novel, as he is the pioneer theoretician of African literary criticism. Whereas *Things Fall Apart* established for African creative writers the art of the African novel, such critical essays as *The Role of the Writer in a New Nation*, *The African Writer and the English Language*, *The Black*

Writer's Burden, and What has Literature got to do with it?, read like conscious blue-prints, defining for teachers, readers and critics of African literature, appropriate directions for objective literary criticism. ISINKA (Igbo term for artistic purpose) establishes Chinua Achebe's legacies to African literary criticism over half a century. The book starts with a Prologue followed by thirty highly engaging chapters, and ends with an Epilogue. The chapters are grouped into six parts namely: Art and Aesthetics, Igbo Worldview and Christianity, The Artist in Society, Visions of History, African Womanhood, and Influences. In these essays, literary scholars from various parts of the world, attempt dynamically to assess and establish how much Chinua Achebe's extra fictional ideas about African Literature or Literature in general, are justified in his own creative works. ISINKA is thus a logical sequel to OMENKA which examined the dimensions of Chinua Achebe's achievements as Africa's leading novelist of the 20th century, and one of the world's best, dead or alive.

War At The Wall Street Journal Sarah Ellison,2010-05-12 A tale about big business, an imploding dynasty, a mogul at war, and a deal that epitomized an era of change While working at the Wall Street Journal, Sarah Ellison won praise for covering the \$5 billion acquisition that transformed the pride of Dow Jones and the estimable but eccentric Bancroft family into the jewel of Rupert Murdoch's kingdom. Here she expands that story, using her knowledge of the paper and its people to go deep inside the landmark transaction, as no outsider has or can, and also far beyond it, into the rocky transition when Murdoch's crew tussled with old Journal hands and geared up for battle with the New York Times. With access to all the players, Ellison moves from newsrooms to estates and shows Murdoch, finally, for who he is—maneuvering, firing, undoing all that the Bancrofts had protected. Her superlative account transforms news of the deal into a timeless chronicle of American life and power.
