## Elizabeth George Speare

**The Sign of the Beaver** Elizabeth George Speare, 1983-04-27 A 1984 Newbery Honor Book Although he faces responsibility bravely, thirteen-year-old Matt is more than a little apprehensive when his father leaves him alone to guard their new cabin in the wilderness. When a renegade white stranger steals his gun, Matt realizes he has no way to shoot game or to protect himself. When Matt meets Attean, a boy in the Beaver clan, he begins to better understand their way of life and their growing problem in adapting to the white man and the changing frontier. Elizabeth George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Now with an introduction by Joseph Bruchac.

Simply Native American Astrology Deborah Durbin, 2007 Like their Western and Chinese counterparts, Native Americans developed an astrological system for understanding the world and envisioning harmony in the universe. Based on animals and clans--and with corresponding trees, stones, and colors--it's broken into 12 moons similar to the 12 signs in Western astrology. In fascinating detail, and with magnificent artwork throughout, this new entry in the Simply series explores an exciting and little known aspect of Native culture. In addition to providing analyses of all the signs, symbols, and seasonal associations, there are illuminating charts, explanations of the medicine wheel, and practical ideas for using Native astrology

as an oracle.
