**Mimi Lyster Zimmelman**

*A Clinician's Guide to "The Four Agreements"* Erica Bruewer LMSW, Erica Bruewer, a psychotherapist and licensed master social worker, wrote this guidebook to support other healing professionals enrich their work with clients. The principles she outlines are simple, easily relatable to most, and are beautifully and entertainingly revealed by Don Miguel Ruiz in his landmark book, *The Four Agreements: A Practical Guide to Personal Freedom*. In this guidebook, you'll discover how the author leveraged the strategies in Ruiz's book to help her own practice, and more importantly, her clients. Therapeutic activities throughout will enable you to apply the reading material further. The guidebook will help you: • make sessions with clients more productive; • develop clear personal boundaries; • communicate more effectively; • heal our world and our collective consciousness one person at a time. Moreover, the way *The Four Agreements* are presented promotes a paradigm shift and encourages one to think more optimistically, which can improve thought and behavioral patterns that are often associated with mental health disorders. Whether you are a social worker, counselor, mental health therapist, psychologist, a student preparing to enter the mental health field, or another type of mental health professional, you'll find this eight-week clinician's guide a valuable resource.

**Towards a Smart, Resilient and Sustainable Industry** Yuri Borgianni, Dominik T. Matt, Margherita Molinaro, Guido Orzes, 2023-09-04 This book offers insights into the new trends that are pushing industries toward the 5.0 paradigm. Digitalization has made tremendous inroads, and the key enabling technologies for Industry 4.0 are increasingly mature. "Towards a Smart, Resilient and Sustainable Industry" not only strikes a balance among the current benefits, issues, and limitations of the current wave of digitalization, but also identifies the key challenges for making new industrial developments favorable for people and the environment. The different perspectives presented in this collection are gathered from contributions presented at the 2nd International Symposium on Industrial Engineering and Automation (ISIEA 2023), which took place at the Free University of Bozen-Bolzano on June 22-23, 2023. Readers will realize how aspects from different disciplines are interwoven to allow positive changes across industries: from engineering to artificial intelligence, from management to design, and from health care to biology.

**Lili's Caregiver's Guide** Lili Udell Fiore, 2023-12-22 While in her forties, Lili Udell Fiore found herself in a difficult situation. While juggling her career, marriage, and family, she received a call that her beloved aunt, who lived many states away, was not well. Faced with managing her aunt's care from a distance, Lili relied on wisdom from professionals, friends, and family members to do her best. Eventually, Lili found her way, and then was also faced with caring for her aging parents. In a helpful resource for caregivers seeking trusted guidance, Fiore shares the lessons learned and wisdom gained from missteps along her own journey as a caregiver that also includes knowledge she learned from her father who was an Episcopal Priest and head of Pastoral Care at the local hospital and an early teacher of dying and death in the 1970s. Her guide provides advice on how to hire Caregivers, create healthy boundaries, utilize her sensory care method, approach Loved Ones about advocating on their behalf, provide end-of-life care, and dozens of tracking forms for personal and medical care. There are various forms, for managing caregiving, preparing for your Loved One's death, and managing affairs after death. Included is valuable insight on grief and how to live again once the journey as a caregiver has ended. Lili's Caregiver's Guide shares proven methods to help Caregivers find peace, organization, and a sense of control while creating the best possible life and passing for you the Caregiver and your Loved Ones.

Courageous Conversations About Race Glenn E. Singleton, 2014-09-15 Create a systemwide plan for transforming the district office, schools, and classrooms into places that truly support ALL students achieving their highest levels! This updated edition of the highly acclaimed bestseller continues to explain the need for candid, courageous conversations about race so that educators may understand why student disengagement and achievement inequality persists and learn how they can develop a curriculum that promotes true educational equity and excellence. Almost a decade since its original publication, the revised book includes new features as well as preserves the core content that led to many schools' and districts' success. NEW! Courageous Conversation Compass NEW! Racial autobiographies, offering more focused and relevant voices from a diverse group of skilled Courageous Conversation practitioners NEW! Case study on St. Paul Public Schools, a district that has stayed on track with Courageous Conversations and successfully implemented the Systemic Racial Equity Transformation Framework NEW! Links to video segments featuring the author describing different aspects of the work UPDATED! Implementation exercises UPDATED! Activities and checklists for school and district leaders UPDATED! Action steps for creating an effective equity team What this book has given me is an effective set of tools to support me in understanding, first, my own racial biography and then how to discuss with my team race and its impact on education. The lessons from this book offer a useful starting point for every school district that wants to change mindsets, policies, and outcomes. Singleton takes readers on a personally and professionally transformative journey toward understanding and action. —S. Dallas Dance, Superintendent Baltimore County Public Schools, MD All students, especially white students, need to read, think, converse and write about issues of race, racism and whiteness if teachers are to help move society into a more racially aware and just place for all. The work of Glenn Singleton and Pacific Educational Group gives educators the tools they need to have those Courageous Conversations. —Jackie Roehl, 2012 Minnesota Teacher of the Year Edina High School, Edina, MN Brave and grounded, patient but pointed, *Courageous Conversations About Race* delivers a rare combination of critical information, illuminating perspective, and truly useful tools to get and keep us all engaged in the most important work of our time. A great nation is not defined by its ability to assimilate all of its citizens, but by its ability to provide equitable opportunities for all of them. This book shows us how. —Dr. Anton Treuer, Author, *Everything You Wanted to Know About Indians But Were Afraid to Ask*; Executive Director, American Indian Resource Center Bemidji State University, MN When I finished reading this book, I immediately wanted to share it with others. Glenn Singleton provides strategies and tools to help one examine one's own racial identity. His curriculum and modes of inquiry promote self-discovery and self-

awareness. The racial autobiographies allowed me to deepen my racial consciousness and become a more effective Courageous Conversation practitioner. Mr. Singleton is the best equity practitioner I have worked with—provocative, stimulating, mindful of the sensitivities of this topic, and devoted to fulfilling our racial equity mandate. —Ellen C. Stein, Head of School The Dalton School, New York, NY In the first edition of his groundbreaking book, *Courageous Conversations*, Glenn Singleton made a powerful case that, in order to dismantle racism, it is first necessary to talk about and understand how power and privilege are related to race. In this second edition, he takes it one step further, adding racial autobiographies and supplements to make it even more accessible to diverse audiences. This work is sorely needed if we are ever to reach educational and social equity in our nation. —Sonia Nieto, Professor Emerita - Language, Literacy, and Culture College of Education, University of Massachusetts, Amherst The City's leadership team has used Pacific Educational Group's training and the Courageous Conversation protocol effectively to launch our racial equity work. Sharing these concepts and approaches with our partners, Saint Paul Public Schools, has created a level of trust and understanding around racial equity we didn't have before. —Christopher B. Coleman, Mayor City of Saint Paul, MN

*Child Custody* Mimi Lyster Zimmelman, 1995 LAW It is difficult to imagine a situation more fraught with potential conflict than that of divorcing parents discussing custody of their children. Professional mediator Lyster claims that despite the inflexibility that often accompanies family breakups, parents can put together custody agreements that are better than those mandated by a court. She aims here to provide guidance for constructing a parenting agreement that favors the child's needs while defusing the tension that can accompany negotiations. Lyster covers everything from medical care to allowing underage marriage to dealing with the parents' new partners. Compromises and creative solutions are suggested; Lyster also offers techniques for keeping the negotiations civil and productive. There is an interesting discussion on parenting arrangements in all kinds of nontraditional families, and important distinctions among states in regard to custody are noted. Legal and family counseling professionals will shiver at Lyster's assertion that the book can be used without professional intervention, but she is careful to provide advice on finding lawyers, custody evaluators, and counselors. A list of support organizations and the clear, pragmatic approach typical of the publisher's books make this a recommended choice for all popular law collections. Joan Pedzich, Harris, Beach & Wilcox, Rochester, N.Y.--LJ 06/15/1995.
