The Wettest County in the World Matt Bondurant, 2008-10-14 *The inspiration for the major motion picture *Lawless**

Based on the true story of Matt Bondurant's grandfather and two granduncles, *The Wettest County in the World* is a gripping and gritty tale of bootlegging, brotherhood, and murder. The Bondurant Boys were a notorious gang of roughnecks and moonshiners who ran liquor through Franklin County, Virginia, during Prohibition and in the years after. Howard, the eldest brother, is an ox of a man besieged by the horrors he witnessed in the Great War; Forrest, the middle brother, is fierce, mythically indestructible, and the consummate businessman; and Jack, the youngest, has a taste for luxury and a dream to get out of Franklin. Driven and haunted, these men forge a business, fall in love, and struggle to stay afloat as they watch their family die, their father's business fail, and the world they know crumble beneath the Depression and drought. White mule, white lightning, firewater, popskull, wild cat, stump whiskey, or rotgut—whatever you called it, Franklin County was awash in moonshine in the 1920s. When Sherwood Anderson, the journalist and author of *Winesburg, Ohio*, was covering a story there, he christened it the “wettest county in the world.” In the twilight of his career, Anderson finds himself driving along dusty red roads trying to find the Bondurant brothers, piece together the clues linking them to “The Great Franklin County Moonshine Conspiracy,” and break open the silence that shrouds Franklin County. In vivid, muscular prose, Matt Bondurant brings these men—their dark deeds, their long silences, their deep desires—to life. His understanding of the passion, violence, and desperation at the center of this world is both heartbreaking and magnificent.

The Wettest County in the World Matt Bondurant, 2009-01-01 Bondurant weaves a compelling tale of violence, desperation, and greed, as three brothers run moonshine in Virginia during prohibition, in this story that is based on a true story about his grandfather and two uncles.

The Night Swimmer Matt Bondurant, 2012-01-10 An “evocative and often lyrical” (San Francisco Chronicle) novel about a young American couple who win a pub on the southernmost tip of Ireland and become embroiled in the local violence and intrigue. The Night Swimmer, Matt Bondurant’s utterly riveting modern gothic novel of marriage and belonging, confirms his gift for storytelling that transports and enthralls. In a small town on the southern coast of Ireland, an isolated place only frequented by fishermen and the occasional group of bird-watchers, Fred and Elly Bulkington, newly arrived from Vermont having won a pub in a contest, encounter a wild, strange land shaped by the pounding storms of the North Atlantic, as well as the native resistance to strangers. As Fred revels in the life of a new pubowner, Elly takes the ferry out to a nearby island where anyone not born there is called a “blow-in.” To the disbelief of the locals, Elly devotes herself to open-water swimming, pushing herself to the limit and crossing unseen boundaries that drive her into the heart of the island’s troubles—the mysterious tragedy that shrouds its inhabitants and the dangerous feud between an enigmatic farmer and a powerful clan that has no use for outsiders. The poignant unraveling of a marriage, the fierce beauty of the natural world, the mysterious power of Irish lore, and the gripping story of strangers in a strange land rife with intrigue and violence—The Night Swimmer is a novel of myriad enchantments by a writer of extraordinary talent.

Crime Fiction and the Law Maria Aristodemou, Fiona Macmillan, Patricia Tuitt, 2016-12-08 This book opens up a range of important perspectives on law and violence by considering the ways in which their relationship is formulated in literature, television and film. Employing critical legal theory to address the relationship between crime fiction, law and justice, it considers a range of topics, including: the relationship between crime fiction, legal reasoning and critique; questions surrounding the relationship between law and justice; gender issues; the legal, political and social impacts of fictional representations of crime and justice; post-colonial perspectives on crime fiction; as well as the impact of law itself on the crime fiction’s development. Introducing a new sub-field of legal and literary research, this book will be of enormous interest to scholars in critical, cultural and socio-legal studies, as well as to others in criminology, as well as in literature.

North Country Matt Bondurant,2025-11-11 A taut literary thriller set along the northern border, *North Country* explores the monsters frozen in the depths of the human soul. North Chazy, New York is the heart of the North Country, a frigid region nestled against the Canadian border, characterized by the beautiful landscapes of the Adirondacks and Lake Champlain—plus a steady stream of Quebecois drugs flowing south, spirited by snowmobile across the ice. Tom Kaiser, fresh off a dishonorable discharge from the Air Force, returns to North Chazy for his ailing father's final days. It's an uneasy homecoming—ever since his little sister was lost under the ice in mysterious circumstances when they were children, Kaiser has felt a terrible presence swimming in the deep. Needing work, Kaiser falls in with Donnie LeClair, a slumlord, loan shark, and aesthete whose private collection of landscapes would rival a modest museum's. Kaiser earns his keep roughing up unsavory locals who are late on their rent. But his true value is his aptitude for satellite telemetry, allowing him to find gaps in border surveillance, a useful skill for working with a Montreal kingpin who wants to move large quantities of ecstasy into the US. As Kaiser spirals through the underbelly of drugs and crime, he finds the roots of evil run deep in the North Country—as bleak, impenetrable, and foreboding as the frozen lake.
