*Hello, My Name Is Resilient* Jessica Sage, 2018-09-24 In this world, all human beings face troubles. That is a guarantee from Jesus. Author Jessica Sage is no exception. But fortunately, Jesus does not leave us alone to deal with life's challenges. God walks with us, delivers us, and brings us through the other side of our struggles, stronger than before. In *Hello, My Name Is Resilient*, Sage shares her story. It speaks of a young woman coping with her parents' divorce as she begins a new life by seeking Jesus Christ first. Sometimes caught between the world around her and her church and family, she shares a chronicle of her journey through the good times and the bad. A memoir and spiritual guidebook, *Hello My Name Is Resilient*, addresses a host of topics through the lens of the Bible, including divorce, suicide, prayer, media, travel, the future, and one's calling. Sage's stories show how heeding the call of Christ led her to a sense of purpose she could not have found elsewhere.

*The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
