

When I Fell From The Sky

Raffaella Di Napoli

When I Fell from the Sky Juliane Koepcke, Beate Rygiert, 2012 **Soon to be a major film starring Game of Thrones' Sophie Turner - Girl Who Fell From the Sky** On December 24th 1971, the teenage Juliane boarded the packed flight in Peru to meet her father for Christmas. She and her mother fought to get some of the last seats available and felt thankful to have made the flight. The LANSA airplane flew into a heavy thunderstorm and went down in dense Amazon jungle hundreds of miles from civilization. She fell two miles from the sky, still strapped to her plane seat, into the jungle. She was the sole survivor among the 92 passengers, which included her mother. Juliane's unexplainable survival has been called a modern-day miracle. With incredible courage, instinct and ingenuity, she crawled and walked alone for 11 days in the green hell of the Amazon. She survived using the skills she'd learned in assisting her parents on their research trips into the jungle before coming across a loggers hut, and, with it, safety. Now she tells her fascinating story for the first time and shares not only the private moments of her survival and rescue but her inspiring life in the wake of the disaster.

Things that Fall from the Sky Kevin Brockmeier, 2007-12-18 Weaving together loss and anxiety with fantastic elements and literary sleight-of-hand, Kevin Brockmeier's richly imagined *Things That Fall from the Sky* views the nagging realities of the world through a hopeful lens. In the deftly told "These Hands," a man named Lewis recounts his time babysitting a young girl and his inconsolable sense of loss after she is wrenched away. In "Apples," a boy comes to terms with the complex world of adults, his first pangs of love, and the bizarre death of his Bible coach. "The Jesus Stories" examines a people trying to accelerate the Second Coming by telling the story of Christ in every possible way. And in the O. Henry Award winning "The Ceiling," a man's marriage begins to disintegrate after the sky starts slowly descending. Achingly beautiful and deceptively simple, *Things That Fall from the Sky* defies gravity as one of the most original story collections seen in recent years.

People of the Dancing Sky Lorre Jensen,2000 100 black and white photographs of the contemporary Iroquois in traditional, contemporary, and distinctively individual regalia.The beautiful images were all produced at the Six Nations Reserve in Brantford, Ontario with the full cooperation of the people there.Costume styles range from traditional (pre-trade, pre-cloth) to modern interpretations.Elders and others are shown in pow wow dress and in regalia that dates back to the last century, wearing skins, antler horns, wolf heads, ferns, and bark. With the lyrics of Robbie Robertson, a member of Six Nations Reserve and the famous lead guitarist of The Band, adorning the text, this book is a powerful testimony of the Iroquois way of life as it preserves these hitherto unpublished images of a great Native American society. When Men Fell from the Sky Claire Andrieu,2023-04-13 Between 1940 and 1945, more than 100,000 airmen were shot down over Europe, a few thousand of whom survived and avoided being arrested. When Men Fell from the Sky is a comparative history of the treatment of these airmen by civilians in France, Germany and Britain. By studying the situation on the ground, Claire Andrieu shows how these encounters reshaped societies at a local level. She reveals how the fall of France in 1940 may have concealed an insurrection nipped in the bud, that the 'People's War' in Britain was not merely a myth, and that in Germany, the 'racial community of the people' had in fact become a social reality with Allied airmen increasingly subjected to lynching from 1943 onwards. By considering why the treatment of these airmen contrasted so strongly in these countries, Andrieu sheds new light on how civilians reacted when confronted with the war 'at home'.
