The Great Motivation Swindle Laura Tong,Mark Tong,2014-06-08 Do you dream of doing something awesome, big or small towards a Great Life, anything indeed, but when you try to motivate yourself into actually getting off your burgeoning ass and taking some kick-ass action, nothing happens, zilch? Somehow, for some damn reason you can't identify, your motivation always fails to show up for the party? Goes AWOL? There's a strong chance it's never your true dream you're chasing, but some swindling parasitic desire foisted on you - in short, you've been swindled, you're a casualty of The Great Motivation Swindle. Too many great people are failing to achieve the success and Great Life they could be living and it seems to be assumed that this is a natural state of affairs and there is little that can be done about it. So what do you do if you find it harder to get motivated than a shark at a salad bar? If you're feeling more demotivated than an albino in a heatwave? What happens is you turn to self-improvement. But the killer is that this industry is largely just putting out the same swindling message as society, more and more dressed up in pseudo 'science' and psychological jargon. The mountains of motivational literature, images and quotes that are designed to get you fired up enough to get going and kick some ass, are in fact doing the oh so opposite: rather than motivating ordinary people to get out there and chase down some sweet dream, they are demotivating them or worse still, encouraging the swindleous practice of substituting some other bastard's aims and desires for yours. So what's the alternative? The alternative is a Revolution. A Revolution for the Common Man. A Revolution where you buck the swindle and the whole concept of 'self-improvement', replace all the corrosive crap in your head with your own unique desire and motivation to pursue your own happiness and go grab whatever the hell you want, as you. The book also includes 19 Motivational Rules for the Common Man

You're Not Stuck Kat Addams,2023-10-02 What would happen if you took all the energy you use to try to change your partner and instead changed yourself? Romantic comedy author and host of the *You're Not Stuck* podcast Kat Addams is here to tell you what you've needed to hear all along. No, he won't change. But you will! Stop fighting for your relationship and start fighting for yourself. You're not stuck. You're capable of building the confidence and mindset needed to grow from victim to survivor and take back control of your life. Kat uses a brutally honest approach of inner work and progressive

practices to empower victims to leave their situation. With a humorous, gritty, and relatable tone, she offers a fresh perspective on this emotional journey—or as she likes to call it, a shameless, shitty adventure. As a domestic violence survivor herself, Kat knows the struggle is real. She's an outspoken advocate for victims and a vocal testimony that life outside of someone else's control is pure magic. You're Not Stuck is part comic relief, shedding light on a dark topic, and part motivational kick in the pants to take action toward freedom. With a heavy theme of the ripple effect, this book tells how one life changed can change another, and together, we can stop surviving and start living. Whether you're struggling in a toxic relationship, a dead-end job, or you just want to escape misery, Kat's here to wake you up to realize that you're the key to your mental prison and only you can save yourself. Your life is waiting for you on the other side. You're not alone, and you're not stuck either.

The Perfection Deception Jane Bluestein, 2015-08-25 When Dr. Bluestein would tell someone that she just finished writing a book on perfectionism, she would often hear a whole tirade on shoddy workmanship and terrible customer service. Dream Wild Jennifer LeClaire, 2018-02-06 WE ARE CAUGHT UP IN THE RAT RACE. We're stuck in the day-in and day-out mundanity of life. But God wants us to dream with Him. He gives us the desires of our hearts, and He want us to build ourselves up in our faith and pursue those dreams. The enemy comes with doubt, unbelief, religious thinking, and other obstacles to combat our dreams. Ward off spiritual attack and acheive your dreams with a prayer action plan. After receiving one wild prophecy, prophetess Jennifer LeClaire was inspired to chase after the God of her dreams—the One who ultimately makes all dreams come true. Dream Wild will set a Holy Ghost fire under people to pursue God of the desires He put in their hearts. Each chapter begins with a short prophetic word, and the book includes stories of inspiration, overcoming challenges, gaining victory, and experiencing God's power as they relate to building one's faith to dream.

Binge and Sprint Naomi Joseph, 2021-11-30 Have you ever stood at the kitchen counter urgently devouring insane

amounts of frozen, stale hot dog buns dipped alternatively in jelly and almond butter, while on high alert for approaching humans? After a lifetime of getting knocked to the ground by the same opponent, a Dark Voice, and then rising repeatedly while praying for a way out, Naomi Joseph wrote the rules of Binge and Sprint: Use cake as fortitude to steel yourself to plow ahead, and then keep moving, keep achieving, and never ever let the world see your suffering. Never idle, Joseph takes the reader on a four decade journey from childhood through college, marriage, buying a home, comparison, community, infertility, low self-worth, work, starting a business, keeping up with the Joneses, and caring for children and ailing parents, all while chained to her secret burden. Readers will understand their own darkness in the midst of the good life as the lid is blown off the shameful shroud of the taboo war with food. Poignant and hilarious, Joseph's journey will help the reader claim their power, and lean into their greatness as they incorporate the many lessons that brought her to recovery into their own lives.
