**TV Format Mogul** Albert Moran, 2013-01-06 Since the late 1990s, when broadcasters began adapting such television shows as Big Brother, Survivor, and Who Wants to Be a Millionaire? for markets around the world, the global television industry has been struggling to come to grips with the prevalence of program franchising across international borders. In TV Format Mogul, Albert Moran traces the history of this phenomenon through the lens of Australian producer Reg Grundy's transnational career. Program copycatting, Moran shows, began long before its most recent rise to prominence. Indeed, he reveals that the practice of cultural and commercial cloning from one place to another, and one time to another, has occurred since the early days of broadcasting. Beginning in the late 1950s, Grundy brought non-Australian shows to Australian audiences, becoming the first person to take local productions to an overseas market. By following Grundy's career, Moran shows how adaptation and remaking became the billion-dollar business they are today. An exciting new contribution from

Australia's foremost scholar of television, TV Format Mogul will be a definitive history of program franchising.

Perdition R. Jean Reid,2017-06-08 What happens when a killer who can't be caught threatens to kill your children next? A town and a mother are forced to confront their worst fears in this hair-raising suspense novel from the author of *Roots of Murder*. Newly widowed mother Nell McGraw struggles with her outsider status as she runs the newspaper founded by her husband's grandfather. But a paper can't turn away from the stories that others ignore, like the body of a child found in the Gulf. At first it seems tragic, a child lost because of carelessness. Then another child goes missing. Disgusted by the turf war between the sheriff and the police chief, Nell barely manages to keep her journalistic distance . . . until the killer contacts her, telling her that her children could be next. Now Nell must match wits with a psychopath who taunts her, daring her and the police to catch him before he can kill again. Praise: Part mystery, part thriller, part social commentary, and all impossible to put down.—Kirkus Reviews

*Stone Heart* Des Ekin,2016-01-20 The secrets of the past have deadly consequences... As far as the police are concerned the brutal murder of Ann Kennedy is an open and shut case. The knife-wielding attacker is the dead woman's son, Fergal Kennedy. But Tara Ross is not convinced. All her instincts as an investigative journalist tell her that they are wrong. And there is an added complication-- Tara and Fergal are lovers. Determined to find the real truth Tara sets out on the trail of the killer -- a dangerous chase which leads her from a squalid drug den in Dublin, to an artist's studio in Montmartre in Paris, and an involvement with the mysterious Estonian, Andres Talimann. A compelling story of murder, betrayal and family secrets that will keep the reader guessing to the very end.
