Avina St. Graves

Death's Obsession Avina St. Graves, 2023-06-09 He's coming for you. Death is meant to come on a chariot of broken dreams or in the dark trenches of a storm, not in love letters and gifts. He did not take my soul when I was meant to die. He did not want it all the other times that I've offered it to him on a silver platter. Yet, time and time again, he reminds me that I am his: His night monster, his dark love, his perfect other. Death was the only thing keeping me alive. He watches me from his corner, taunts me with sweet messages, marks my body with his touch as I sleep. He took the people that I love away from me. Still, no one believed me when I said that I saw the faceless man on the night of the accident. No one can escape death. Me? There's nowhere else I'd rather be.

Pink Ink Avina St. Graves, 2026-08-04 Gothikana meets Dexter in this sinfully delicious dark romance about a horror-obsessed film student who's secretly tracking the murders of a serial killer—unaware he's also her brooding professor. There's a serial killer prowling the city, and no one has noticed... Except for me. I see the connections between his kills— The artistic references, The careful curation of the scene, The macabre motifs that turn violence into vivid works of art. When I recreate one of his murders for my film project at Cresswell University, I unknowingly present it to the very man who committed the crime. Professor Maddox Shaw. A world-renowned artist struggling to recapture his muse. A serial killer caught deep in the web of a dangerous secret society. A man who makes me come alive. Sleeping with your professor is bad enough. Sleeping with a serial killer is just asking for trouble. When trouble finds me, it's not Maddox, but the powerful people pulling his strings. There's no line they won't cross to keep their secrets safe. And there's no line Maddox won't cross to keep me. After all, he's good at killing people.

Skin of a Sinner Avina St Graves, 2023-12-12 No one tells you what to do when the boy who shattered your heart comes back to steal it. Roman Riviera was my everything once upon a time. I found my knight in shining armor in the form of a fellow foster kid. He protected me and promised to stand by my side forever. But Roman Riviera is a liar. He left me with monsters. Three years later, I found him in the middle of the night, soaked in my family's blood and carving his initials into my foster brother's skin. He tied me up and dragged me away from the life I had made without him. I tried to run, but he chased me. I wanted to scream, but the sound never came out. He says that I'm never getting away from him. He says he's back for good. I don't believe him.
