A Father's Book of Wisdom H. Brown, 2000-10-06 A few weeks after Dad passed away, says H. Jackson Brown, Jr., the compiler of A Father's Book of Wisdom, we found eight shoeboxes in his closet filled with scraps of paper all covered with ideas Dad thought were profound, interesting, or merely amusing. The result is one father's view of life and what he thought about the importance of self-reliance, commitment, love, generosity, and success. It contains 159 quotes from Socrates, Eleanor Roosevelt, Andrew Jackson, Mother Teresa, and many others covering such topics as achievement, courage, happiness, parenting, success, and values. Quotations such as If you're looking for a big opportunity, seek out a big problem and Life doesn't come with an instruction book - that's why we have fathers communicate an upbeat, positive view of the world that will inspire and charm the reader. It is the perfect gift book for Father's Day, graduation, or any time of the year, and may even inspire you to jot down a few notes of your own.

P.S. I Love You Jackson Brown, 2000-09-29 Mom loved to write to my sister and me, H. Jackson Brown writes. They began when I was an eight-year old camper away from home for the first time. When I opened Mom's letter, I would always read the P.S. first. I just couldn't wait to discover what revelations, humor, observations, admonitions, and encouragement she wanted to share with me. No matter how hard you hug your money, it never hugs you back, says one P.S. Middle age is when you have two choices and you choose the one that gets you home earlier, says another. Jack Brown's mother shared valuable advice with him about the issues of wisdom, hope, humor, and faith. Although some were written more than thirty years ago, Brown says, they still run with truth and insight.

Quotes: The Famous and Not so Famous Terence M. Dorn Ph.D., 2021-11-24 The accumulation of the following quotes began when I served the Army chief of staff as a speechwriter and is a result of encouragement that my father provided to me every day of our lives together. This is a very small slice of the wisdom of the ages uttered by the more famous and not-so-famous people of their respective time periods. Much of that wisdom uttered decades and even hundreds of years ago are still as relevant today as they were when they were uttered. The times may change, but people don't.

1000 Brilliant Achievement Quotes, 2004 Each of us needs encouragement. As we face obstacles to our integrity and our personal progress we often look to the advice of the wisest. This volume provides the most brilliant wisdom regarding achievement handed down over the ages. From slugger Henry Aaron to Carl Zuckermeyer, Anne Frank to George Burns, wise

people have offered wonderful and useful advice on successful living. I have sifted through tens of thousands of quotes, reluctantly discarding most of them, in an effort to bring you the most brilliant of them. You may wish to use this volume as a reference work. But I encourage you to read it from cover to cover initially. Like eating hot cayenne pepper sauce, the effect of reading powerful quotes produces an accumulated potency. The more you read, the stronger the impact.

1,600 Quotes & Pieces of Wisdom That Just Might Help You Out When You're Stuck in a Moment (and Can't Get Out of It!) Gary P. Guthrie, 2003-03 John Lennon said, Life is what happens to you while you're busy making other plans. Sometime today while you're busy following your plan, something may happen that puts you in a funk or motivates you to make a change. Something that could leave you stuck in a moment. But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. When those moments sneak up on you, you can run to counseling, look yourself in the mirror, crawl over to your favorite self-pity corner or you can open *Stuck in a Moment* and find wisdom to help you understand and, possibly, turn your mood around. Precise in nature, *Stuck...* takes you straight to the heart of life's customary stumbling blocks: your relationships, your job life, your frame of mind and your desire to have the life you dream of. To some, it's an express self-help book; to others, a travel guide for their life. Whether you're following the 12 Steps, looking for an honest, encouraging companion or a fan of inspirational quotes, you'll find 1,600 opportunities to gain new insights in this book - a book of rationale and challenge that you will want to keep handy or gift to someone for those everyday moments.
