**Heart of a Soldier** James B. Stewart, 2009-11-24 From Pulitzer Prize winner James B. Stewart comes the extraordinary story of American hero Rick Rescorla, Morgan Stanley security director and a veteran of Vietnam and the British colonial wars in Rhodesia, who lost his life on September 11. When Rick Rescorla got home from Vietnam, he tried to put combat and death behind him, but he never could entirely. From the day he joined the British Army to fight a colonial war in Rhodesia, where he met American Special Forces' officer Dan Hill who would become his best friend, to the day he fell in love with Susan, everything in his remarkable life was preparing him for an act of generosity that would transcend all that went before. Heart of a Soldier is a story of bravery under fire, of loyalty to one's comrades, of the miracle of finding happiness late in life. Everything about Rick's life came together on September 11. In charge of security for Morgan Stanley, he successfully got all its 2,700 men and women out of the south tower of the World Trade Center. Then, thinking perhaps of soldiers he'd held as they died, as well as the woman he loved, he went back one last time to search for stragglers. Heart of a Soldier is a story that inspires, offers hope, and helps heal even the deepest wounds.

*The Heart of a Soldier* Eleanor D Alsbaugh, 2022-09-30 The letters presented in *The Heart of a Soldier* introduce the reader to a decorated yet humble American soldier in World War II. Sergeant George Donald served with the Sixth Armored Division of General Patton's Third Army as it fought its way from the hedgerows of the Normandy bridgehead to Hitler's lair in the Alps of southern Germany. He was awarded the Silver Star for his leadership and bravery, and a Purple Heart for wounds received during a German attack. Later, he received the Bronze Star for his heroic actions and leadership during the Battle of the Bulge. Over 75 years ago, he shared what training and combat experiences Army censors would permit him to share in more than four years of almost daily letters he sent to the author's mother, the woman he would someday marry. While these letters represent the heart and soul of this book, it is supplemented with research by Sgt. Donald's daughter into the context of his experiences in training and combat, including synopses of the war itself and the daily challenges faced by the Super Sixth. While reading this book, veterans and their families, descendants of The Greatest Generation, and those with an interest in military history and history as a whole, can revisit and perhaps better understand the struggles people endured during World War II and the lasting love of family that helped soldiers survive.

The Heart of a Soldier; As Revealed in the Intimate Letters of Genl. George E. Pickett George E. Pickett, 2017-07-29 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. The Heart of a Soldier, 2025-09-03 This piece reflects the heart of a warrior and a soldier. Imagine performing and interpreting through song a soldier fighting for their homeland, their country and for freedom. This piece reflects the passion for freedom. Included is: 32 instrumental individual parts and the Conductor's Score. The heart of a soldier is an intermediate grade 3 score for a full orchestra of Strings, Brass, Woodwinds and Percussion. This score is an empowering song for freedom. This piece has film like elements and goes back and forth between a march and film style piece. This score especially would be great to be performed by a high school or college full orchestra. All music composed and notated by: Rebecca A. Drimmel.

This Soldier's Heart Allana Kephart, Sam Destiny, Bella Sterling, C. M. Lehsten, Jamie Summer, Becky Elizabeth, C. L. Foster, E. R. Rada, Lissa Thomas, Arielle Adams, 2018-01-21 Valentine's Day . . . A day for love, lust-and sometimes, even loss. There's no day in the year where love is more present, and loneliness more painful. Follow our soldiers as they deliver love, doubt, pain, lust, and everything in-between.

*Soldier's Heart* Carol Tyler, 2015-10-23 In the wake of Alison Bechdel's *Fun Home* and Art Spiegelman's *Maus* comes cartoonist Carol Tyler's multigenerational graphic memoir, *You'll Never Know*. The author chronicles her fraught relationship with her father, Charles, a WWII veteran, and how the war affected their lives through both childhood and adulthood. *You'll Never Know* is also a tribute to servicemen and women, dramatizing the trauma of the war on the Greatest Generation and those who followed. Tyler's ink and watercolor narrative is in turns sprawling and gimlet-eyed: compassionate and enraged. Her father's memories are woven into her own, which span her Catholic, Midwestern childhood; her troubled marriage; her daughter's struggles; and her efforts to care for her aging parents. Even though Tyler's work has an accessible, homemade

feel (the organizing metaphor of the book is a photo album with “snapshots” of Tyler family life), *You’ll Never Know* is a sophisticated graphic work about war, love, and loss.
