**Joseph Myrtle Weaver**

**If God Does Not Permit a Woman to Preach Then God Must Be a Sexist** Lamont McLaurin, 2008-11 Revelatory and persuasive, a must read Minister Lamont McLaurin unveils what he coins as the 8th SEAL about a hotly debated controversial topic in Christendom whether a woman can or cannot preach. What sets the book apart from most apologetic pro-women pastoring theology is that he doesn't use Garden Variety biblical characters such as Deborah, Mary Magdalene, The woman at the well, Esther and the like. A fresh hot button 2008 revelation that will promote intense dialogue at home, church, college campuses, airports, workplace, lunchroom settings, Theological Seminars, etc. Finally a book that contains irrefutable Biblical evidence that a woman can and should preach if called by GOD to do so.. Minister Lamont McLaurin is a multi gifted national motivational speaker, an ex police officer who currently works full time as a High School Theology teacher in Philadelphia, Pennsylvania and a part time Social Worker. Additionally he is a mid level consultant for several Oil companies. Lamont's upcoming books are entitled: You will never know God is all you need until you realize that God is all you have. And... The revelatory... If the Jews are GOD's chosen people, Is GOD the first Racist? A revelatory defense of GOD's position concerning the Jews. To contact Minister Lamont: Beautifulfeet6@aol.com

*Can A Woman Preach? By What Authority?* Joseph Brice, 2024-07-18 Unlock the Power of Women's Voices in Ministry Can A Woman Preach? By What Authority? Absolutely...By Divine Authority is not just a book — it is a bold spiritual manifesto and a rallying cry for every woman who has ever felt the divine call to preach, teach, and lead in the Body of Christ — yet found herself silenced by tradition, dogma, or doubt. This powerful, unapologetic work dismantles centuries of religious conditioning and boldly affirms what Scripture and the Holy Spirit have declared all along: women are divinely anointed to preach the Gospel of Jesus Christ — without restriction, apology, or permission from man. Written with fiery conviction, biblical depth, and liberating truth, this Kindle Edition offers both spiritual encouragement and theological clarity for women who are called to rise, speak, and lead. With a prophetic voice, the author challenges misused scriptures and confronts patriarchal mindsets that have long kept women in spiritual bondage. This is not a book of rebellion — it is a call to divine alignment. It is for the woman who hears God whisper in the midnight hour, “I have called you. I have chosen you. Preach My Word.” It is for the preacher who has been discouraged by religious gatekeepers. It is for the believer who seeks to understand the biblical foundation of women in ministry. Inside these pages, readers will discover: A fearless breakdown of

biblical texts traditionally used to silence women — with context, clarity, and truth. The voices of powerful women in Scripture who preached, prophesied, led, and were commended by God. The difference between man's authority and divine authority — and why the latter is all you need. A fresh revelation of the Holy Spirit's work through women, both in the early church and today. Encouragement to walk boldly in your calling — with freedom, fire, and fearless faith. Rooted in Scripture and powered by the Holy Spirit, this book dismantles centuries of doctrinal silence and declares the truth: God's authority is all you need. □ Explore the biblical foundation for women in ministry □ Break free from man-made restrictions and religious doubt □ Discover the voices of women God used mightily — and still uses today □ Walk boldly in your divine assignment with fearless faith □ Become the unapologetically anointed preacher you were born to be

**CAN A WOMAN PREACH?** A bold, Spirit-filled call to every woman silenced by religion. Every daughter was overlooked, and every voice was told to sit down. In this book, I confront the doubt. I unpack the Word. And I shine a light on the God who said YES to the woman. From the womb that carried the Word to the women who preached the resurrection first— This isn't just a book, it's a movement. □□ If you've ever been told: □ "Women can't preach." □ "You're out of order." □ "Sit down and be quiet." Then this book is for you. Whether you are a woman called to the pulpit, the streets, the nations, or your own neighborhood — this book will equip you with the confidence and spiritual foundation to go forth in power. If you've ever doubted your call, questioned your authority, or wondered if God truly uses women to preach — wonder no more. You have divine authority. You are called. It's time to shake the dust off your feet, silence every lie, and preach like never before. Become bold. Become fearless. Become free. Like never before. You are an unapologetically anointed preacher. Let this book ignite your spirit, empower your voice, and affirm your divine assignment — unapologetically.

Should Women Preach? Rev. Salvatore Mancini, 2013-08-15 Some church organizations do not believe that women can preach, pastor a church, or lead in church ministry. What does the Bible say? The Lord really showed this to me, because these same questions came into our church office. As I began to look into God's Word, I got really excited about it. It's something that needs to be confirmed to all churches today. This message deals with the call of women to preach the gospel and work in leadership within the church. So perk up, ladies, and listen, men, because we have to understand spiritually, where we all fit in. This is important to know and to allow that grace of God to move in every one of our lives. This issue in the church world needs to be addressed once and for all. Should women have the right to preach or teach in the church?

Preaching Women Liz Shercliff, 2019-10-30 Should women who preach, preach as women? Preaching Women argues that far from being a gender-neutral space, the pulpit is a critical place in which a gender imbalance can begin to be redressed. There is a vital need for women preachers to speak out of their experience of living as women in today's culture and church. Filling a glaring gap in the literature around homiletics, Filling a glaring gap in the literature around homiletics, Preaching Women considers reasons why women preachers should preach from their experiences as women, what women bring to

preaching that is missing without us, and how women preachers can go about the task of biblical preaching. With a foreword by Libby Lane.

**Preach Woman Preach** Bernadette Hill, 2010-04-13 This book deals with the challenges that women pastors go through when they have been denied their place of being a pastor, because it has been an issue that women can't preach. It tells who really preached first, but I'm here to set the record straight. We can preach. We have preached, and we will not stop preaching until Jesus comes back, for Jesus is coming quickly. I pray that you enjoy this book—I have. God bless.

Ghetto Religiosity 2000 Khalil Amani, 2000 Ghetto Religiosity 2000 is the first of a three-part series. It is the result of Mr. Amani's many years of study and disillusionment with organized religion. Often angry and filled with ebonics and gangsta language, the author's quest is to reach those who have been removed from religion... those of us who have seen the church and the preacher manipulate the laity for their own selfish filthy lucre. If you're looking to read a watered-down Jesus loves the world text, this is not for you! This book is a hardcore, tellin'-it-like-it-is, new-jack, diatribe on the errors of Judeo-Christian Thought. WHO SHALL MAKE IT PLAIN? WHO SHALL TEACH THE YOUTH? WHO SHALL SET THEM FREE? —Khalil Amani, a religious gangsta Khalil Amani is a native of Miami, Florida where he was baptized at the age of seven into the Baptist Church. After high school, Khalil was introduced to Black Nationalism, fraternal brotherhood, Freemasonry, the Nation of Islam, and the Five Percent Nation. None of these held his attention until he was introduced to the Nation of Yahweh where he joined and quickly rose to the rank of Elder. By age 23, Khalil headed the Temple of Yahweh in Newark, New Jersey. After five years and the realization that he was part of a murderous cult, headed by a man claiming to be God, he left the sect in search of his identity and the true meaning of religion. Left spiritually devastated by this experience, Khalil resorted to the street-life where he indulged in every vice, from selling drugs to becoming an exotic dancer to stick-up man to womanizer. Finally, Khalil became the Unofficial Spokesman for ex-members of the Yahweh cult and testified against the man he once called father. For this he had to enter the Witness Protection Program. This brotha has been through some sect! At the University of Nebraska at Omaha, he majored in Black Studies and Religion and graduated from San Diego Mesa College, San Diego, California with a degree in English.

**A History of Preaching Volume 1** O.C. Edwards, Jr., 2010-09-01 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church's ministry of proclamation. Bringing together an impressive array of familiar and lesser-known figures, Edwards paints a detailed, compelling picture of what it has meant to preach the gospel. Pastors, scholars, and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching. Volume 1, appearing in the print edition, contains Edwards's magisterial retelling of the story of Christian preaching's development from its Hellenistic and Jewish roots in the New Testament, through the late-twentieth century's discontent with outdated forms and emphasis on new modes of preaching such as narrative. Along the way the author introduces us to the complexities and contributions of preachers, both with whom we are already acquainted, and to whom we will be introduced here for the first time. Origen, Chrysostom, Augustine, Bernard, Aquinas, Luther, Calvin, Wesley, Edwards, Rauschenbusch, Barth; all of their distinctive contributions receive careful attention. Yet lesser-known figures and developments also appear, from the ninth-century reform of preaching championed by Hrabanus Maurus, to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members' preaching, to Howell Harris and Daniel Rowlands, preachers of the eighteenth-century Welsh revival, to Helen Kenyon, speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew. Volume 2, contained on the enclosed CD-ROM, contains primary source material on preaching drawn from the entire scope of the church's twenty centuries. The author has written an introduction to each selection, placing it in its historical context and pointing to its particular contribution. Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history. Ecumenical in scope, fair-minded in presentation, appreciative of the contributions that all the branches of the church have made to the story of what it means to develop, deliver, and listen to a sermon, A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel. ...'This work is expected to be the standard text on preaching for the next 30 years,' says Ann K. Riggs, who staffs the NCC's Faith and Order Commission. Author Edwards, former professor of preaching at Seabury-Western Theological Seminary, is co-moderator of the commission, which studies church-uniting and church-dividing issues. 'A History of Preaching is ecumenical in scope and will be relevant in all our churches; we all participate in this field,' says Riggs.... from EcuLink, Number 65, Winter 2004-2005 published by the National Council of Churches
