Queer Musicals Robert W. Schneider,2025-08-21 What links the shows La Cage aux Folles, Kinky Boots and BARE? When was the first Queer musical produced on Broadway? How has queerness evolved in the context of mainstream Broadway musicals? Queer Musicals takes a chronological look at queer musicals that have developed on Broadway throughout the

second half of the twentieth century the the early twenty first century. Looking at the inception and development of each show, this accessible study unpacks the creation, production and reception of each musical in order to draw parallels within the wider American dramatic canon. Pulling from multiple primary resources, each chapter traces the show from its inception to its opening night. It introduces the reader to each musical's key creators and company members and places them in the larger context of Broadway history. After examining the contemporary reception of each show and its cultural impact - both when it opened and now - it answers the question as to how and why queerness has evolved from being an anomaly to common in Musical Theatre storytelling. Published in Methuen Drama's Essential Musicals series, this book is perfect for students of Musical Theatre, drawing together different resources to dig into the backstories of Broadway's biggest hits and mining the historical record for nuggets of information that illuminate our understanding and enhance our enjoyment of musical theatre's unique brand of magic.

Home Field Hannah Gersen,2016-07-26 The heart of Friday Night Lights meets the emotional resonance and nostalgia of My So-Called Life in this moving debut novel about tradition, family, love, and football. As the high school football coach in his small, rural Maryland town, Dean is a hero who reorganized the athletic program and brought the state championship to the community. When he married Nicole, the beloved town sweetheart, he seemed to have it all—until his troubled wife committed suicide. Now, everything Dean thought he knew is thrown off kilter as Nicole's death forces him to re-evaluate all of his relationships, including those with his team and his three children. Dean's eleven-year old son, Robbie, is withdrawing at home and running away from school. Bry, who is only eight, is struggling to understand his mother's untimely death and his place in the family. Eighteen-year-old Stephanie, a freshman at Swarthmore, is torn between her new identity as a rebellious and sophisticated college student, her responsibility towards her brothers, and reeling from missing her mother. As Dean struggles to continue to lead his team to victory in light of his overwhelming personal loss, he must fix his fractured family—and himself. When a new family emergency arises, Dean discovers that he'll never view the world in the same way again. Transporting readers to the heart of small town America, Home Field is an unforgettable, poignant story about the pull of the past and the power of forgiveness.

Benjamin Kunkel remembers how the Smiths' *Queen Is Dead* transformed him into an adolescent Anglophile. Pankaj Mishra describes how a bootleg cassette of ABBA's *Super Trouper* evoked a world far from his small Indian village. Kate Christensen relives her years as an aspiring novelist in Brooklyn listening to Rickie Lee Jones's *Flying Cowboys*. And Joshua Ferris recalls his head-banging passion for Pearl Jam's *Ten*. Exploring music from the Talking Heads to the *Hedwig and the Angry Inch* soundtrack, this extraordinary anthology is a moving, funny, uplifting, and unforgettable celebration of the unique and essential relationship between life and music.
