The Holy Ghost Got a New Dance Willie Hudson,2016-11-09 In the midst of oppression, poverty, violence, and insufficiency where survival takes priority over salvation, what theology speaks to this condition? Black Theology and Holy Hip-hop are important to understand and promote, especially in their relationship to inner-city ministry and spiritual development, primarily in regards to black and brown youth. This work investigates the complex crises experienced among our black and brown youth, with special focus on the inner-city. Black Theology and Holy Hip-hop is less about people and more about institutions--the dichotomy between the institution of the church and the social institution of music that affects young people's mindset. This book will examine how a double-edged sword of Black Theology and Holy Hip-hop will cut a new faith in inner-city ministry that will initiate freedom against personal pain and systemic oppression, on the one hand, and free minds from self-hate and submissive control on the other.

Quicklet on Lord of the Flies by William Golding Natacha Pavlov, 2011-12-14 ABOUT THE BOOK What do you think of when you picture a group of 6 to 12-year old boys? How do you imagine their behaviors to be, and how do they interact with each other? Perhaps like most people, you may envision harmless, tame, typical playful and somewhat innocent boys, just

content to play and be around each other instead of the bossy, rule-establishing grown ups. However, you may be surprised to find quite a drastically different group of young boys in William Golding's *Lord of the Flies*, making the novel a successful, "if not also controversial" work of art. *Lord of the Flies*, William Golding's first novel, was published in 1954.

(www.nobelprize.org) Written in 12 chapters and in third-person narrative, it recounts the events surrounding a group of young English boys on a deserted island during World War II. Golding's own war experience comes through in the novel as themes of the human condition, good and evil, government, and innocence stand out in rather explicit ways. Indeed the concept of original sin comes into play as the boys gradually lose their innocence and generally give into chaos and madness.

MEET THE AUTHOR A current San Francisco Bay Area resident, Natacha Pavlov has been an avid reader and writer since her early years spent growing up in Brussels, Belgium. She earned her B.A. in Comparative World Literature from San Francisco State University and constantly flirts with the notion of earning her Master's/PhD someday. She has French-English non-profit translation experience and looks forward to increasing her writing through various platforms in the near future. Although the list keeps growing, she has interest in reading and writing about classics, mythology (of any/all traditions), horror/gothic fiction, 18th and 19th century French novels, Middle Eastern history and politics (particularly Palestine-Israel) and early Christianity. Fueled by her culturally diverse heritage, her educational and personal interests have led her to engage in extensive travel and to live in places such as Paris, France and Jerusalem, Israel. Amidst all, pens, papers and books have always proven loyal companions. And she won't lie, chocolate has always helped too! She strives to keep exploring the world through books as well as further travel experiences that will ensure continued growth.
