Translating the Bible Literally Michael T. Schmid, 2016-05-31 Differences in translation between so-called literal Bible versions make it quite appropriate to re-evaluate what is meant by the label literal. What do different literal Bible translations have in common? How do they differ? How do we account for possible different concepts of literalness? How is the concept of literalness applied to the making of a Bible translation? To answer these questions, the author compares three literal Bible translations: the King James Version, the New American Standard Bible and the English Standard Version. For each of these versions, the historical background and the writings of the translators themselves are analysed. The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John.

World Myth or History? J.G. Cheock, 2017-10-02 World myth deciphered and organized into a coherent story of our past. It is almost impossible to read world mythology without noticing common threads and patterns that seem to paint a bigger picture. A story told by our ancient ancestors for future generations to remember and learn. What if the eyewitnesses to past events were taken seriously? What if we listen to their stories with unbiased ears, free of assumptions? What if their stories were backed up by scientific discoveries? What if the myths can explain the mysteries?

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our

Eschatology today? This book answers these hard questions...

God Is All There Is and the Devil Does Not Exist Muzire Mbuende,2016-06-03 God Is All There Is and The Devil Does Not Exist seeks to bring about awareness and remind us of Who We Really Are; for God is All There Is and there is No-thing else. There is only One-Consciousness that has individuated It-self and, thusly, there is no Devil in absolute form (as is taught and projected by many). All That Is, existed in a state of being, without the means to express Its being; in a state of being, God is No-thing unto Himself. Out of this conceptual knowing, God/All That Is longed to express, explore and experience It-self for what It knows It-self to be. And so the No-Thing created Some-Thing/Some-Form (all of creation), as a means or device(s), through which It can express, explore and experience It-self fully and abundantly. We live in a world driven by fear, scarcity, competition, chaos, pain, struggle, confusion and discord. It is my firm conviction that all these factors have been born and taken root because we have forgotten, Who We Really Are. God Is All There Is and The Devil Does Not Exist is directed to all the men and women around the globe, who are entangled in shackles of fear, constructed by mythical beliefs and teachings about God and the mock Devil, which have been served to us for eons. The message I bring seeks to liberate and unchain us from these restraints. So that we can live freely and express, explore and experience That Which Is within more fully and abundantly.

Deliver Us From Abortion Brian Fisher,2015-01-15 The author of Abortion: The Ultimate Exploitation of Women offers a blueprint for the American Church to handle abortion in our country. Consider that for the past forty years, a staggering fifty-six million Americans have been killed by abortion. It claims the lives of over 1.2 million children every year, or roughly one child every twenty-five seconds. So why isn't the American church doing something to stop this atrocity, which is the greatest

holocaust in American history? The majority of American churches, God's institutions for spreading the gospel of peace and defending the weak and innocent, remain silent. Feeding the poor, stopping human trafficking, rescuing children from abuse, and protecting women from exploitation are all issues the church is addressing. Yet abortion remains eerily absent from the list of church priorities in America. Why isn't it the church's highest priority? Is the American church silent because abortion has become politicized and church leaders are afraid to discuss it or because we simply don't know what the Bible says about it? What will cause the church to wake up, rise up and take this issue to task to save our children? In his latest book, *Deliver Us From Abortion*, Brian Fisher, co-founder and president of Online for Life, breaks the veil of silence and uncovers the reality of abortion in the church, what the Bible really says about it, and how God has empowered His church to end this unspeakable tragedy. Praise for *Deliver Us from Abortion* "This book provides a powerful defense for the children who can't speak for themselves." —Josh McDowell, bestselling author of 138 books including *More Than a Carpenter* "Abortion is the greatest moral crisis of our generation, yet far too many churches have remained silent. In *Deliver Us From Abortion*, Brian Fisher offers a blueprint for the American church that is both instructive and encouraging. I pray that we can all hear and accept his challenge." —Dr. Tony Evans, president, The Urban Alternative, senior pastor, Oak Cliff Bible Fellowship "Growing up in the King family during the Civil Rights era, I know what the church can accomplish. I am so glad Brian has written this book. May it challenge and equip the church to end the abortion holocaust in America." —Dr. Alveda King, director of African-American outreach, Priests for Life

Early Islam Karl-Heinz Ohlig, 2013 This successor volume to *The Hidden Origins of Islam* (edited by Karl-Heinz Ohlig and Gerd-R. Puin) continues the pioneering research begun in the first volume into the earliest development of Islam. Using coins, commemorative building inscriptions, and a rigorous linguistic analysis of the Koran along with Persian and Christian literature from the seventh and eighth centuries--when Islam was in its formative stages--five expert contributors attempt a reconstruction of this critical time period. Despite the scholarly nature of their work, the implications of their discoveries are startling: -Islam originally emerged as a sect of Christianity. -Its central theological tenets were influenced by a pre-Nicean,

Syrian Christianity.-Aramaic, the common language throughout the Near East for many centuries and the language of Syrian Christianity, significantly influenced the Arabic script and vocabulary used in the Koran. -Finally, it was not until the end of the eighth and ninth centuries that Islam formed as a separate religion, and the Koran underwent a period of historical development of at least 200 years. Controversial and highly intriguing, this critical historical analysis reveals the beginning of Islam in a completely new light
