**A Bibliographical Guide to Spanish American Literature** Walter Rela, 1988-08-24 This major bibliographic work reflects the significant interest in Latin American literature as a creative force in the world today. Rela who has provided Latin American bibliography with many ground-breaking contributions, has created a single, comprehensive reference work for serious scholarship on Latin American literature with sources through 1986. Among the criteria used to determine which authors and works would be included are originality, critical appraisal, and the interest the work held for professors, researchers, and students. The works are divided into general sections; each section is broken down by country and by genre (poetry, prose fiction, drama, essay) and annotations are provided for many works. The book concludes with an author index.

**Traducción y poder** Liliana Ruth Feierstein,2008 Los trabajos aquí reunidos pretenden contribuir a la deconstrucción de la estructura binaria que tradicionalmente concibe un texto y su traducción en términos de original (poderoso) y copia (infiel). Renunciar a la idea de la existencia de un original perfecto e inmutable permite entender el texto como obra abierta, siempre en su diálogo con otros, incluidas sus traducciones. (In)quietudes, huellas, (des)colonizaciones, resistencias transversales, exilios : este libro es una invitación colectiva a pensar los fenómenos de traducción y poder desde diversas orillas, los cuales son siempre, simultáneamente, origen y destino--Publisher's description.
