Awakening to the Power of Peace—Love—Joy—Gratitude Jean Maalouf,2019-08-09 Humankind is, at the present time, reaching a critical point in history. A disaster of apocalyptic proportions could erupt at any time. "I know not with what weapons World War III will be fought," predicted Albert Einstein, "but World War IV will be fought with sticks and stones." What we are to do in order to prevent such catastrophic events? We are to change the way we think, insists philosopher Maalouf. We are to see people and things in different ways. We are to see with God's eyes. We are to witness the birth of a new consciousness. For philosopher Jean Maalouf, who holds two Ph.D.s and who has published more than forty books, one needs to go beyond the symptoms, he affirms, and find the root causes of our crises. His new book, *Awakening to the Power of Peace - Love - Joy -- Gratitude*, goes straight to the very core of our crises and points the way to their solutions. The truth is that the battlefield is not primarily on the land where people confront and kill each other. The true battlefield is where decisions are made--in the people's minds, hearts, and souls. This is also where solutions should be found. Dr. Maalouf invites us to change the way we perceive reality so that a new way of living can emerge. If we don't learn to love one another and to live together in peace, we will continue to kill each other, and we will perish together. We are interconnected. We are interdependent. What we think about, how we see things, and what we say and do and the way we live our life matter greatly. We-ly (all of us together), we should live in peace, love, joy, and gratitude.

**A Distant Thunder The Storm of Peace, Love, and Harmony** Reverend Kenneth,Elizabeth Herzog,2023-12-26 As Christians we often struggle to find a balance between our secular and spiritual lives. This struggle can leave us feeling confused, disappointed, and troubled. We find ourselves questioning our place in the world, and we sometimes turn away from God, searching for answers in all the wrong places. However, with God's guidance, the answer is often found within the struggle itself. Our book speaks to people who are searching for meaningful and practical insight on how to follow God's

word in their daily lives. The reflections provide a deeper understanding of scripture, while serving as a catalyst for love, hope, and peace to a broken world. Although intended for a Christian audience, the reflections offer relevant interpretations of scripture to all people, especially as they face personal struggles in their ever-changing lives. Unique in style, the reflections provide imaginative narratives and practical lessons that linger in the heart and mind. Although they follow the liturgical calendar, each one stands on its own and can be read at any time throughout the year.

**The One-Eyed King: Path to Peace, Love and Prosperity** Valentino Se-lah, 2019-06-08 Rapreacha's life story. Bringing in personal details from the failures that turned into nightmares, to the mistakes that lead towards discovering his greatness. This novel is a one of a kind, showing the universe that any person who has been preyed upon by previous programmed conditions can escape the matrix by a ruling of reprogramming; of the mind, body, and soul. This is where Tino H. Byrd known by our government transformed himself from being a number in their system into multiple identities over the course of years into the being that is Valentino X Se-lah. The alter ego Rapreacha - Is the manifestation of God's blessings that life has given him, to redistribute all of his pain and suffering into the greatest gift of all time! A peace of mind; is the best bag to gain, obtain, and maintain...
