Tashie Bhuiyan

I'll Pretend You're Mine Tashie Bhuiyan, 2025-06-03 Summer Ali has been making a name for herself in the music industry for years, slowly but surely climbing the charts—but the world doesn't know her stage parents are the ones who molded her entire public persona. Finally eighteen, Summer breaks free of their control and focuses on creating her own path. Upon running into writer's block, Summer grows eager to take any opportunity to shake things up—even if it means agreeing to a PR stunt with child-actor-turned-playboy, Jules Moradi, famous for his tabloid escapades. At first, Jules keeps his distance, maintaining professional boundaries. But as time passes, his walls come down, and Summer uncovers who he is beyond his reputation, and it's someone more like her than she ever realized. As the lines blur between fake and real, Summer begins questioning who she is and what she wants—and if her dreams are worth sacrificing her heart.

The last thing he's looking for is a woman to ruin his solitude. When the wildly beautiful Harper stumbles into his life, though, he realizes that she's the perfect decoy. A fake girlfriend to keep his family off his back until he's deployed. So what if kissing her sends his mind to wicked places? He can control himself. Can't he? Harper was on her way to starting a new life... again. But something about Luke makes her want to settle down in this small town and make his house a home. When she's in his arms, she finally knows what it's like to feel safe. Protected. One night of sharing a bed turns into something much, much more... and soon Luke can't keep his mind off Harper's wide gray eyes or his hands off her luscious curves. He never thought he'd feel this way about a woman again. But he knows that he can't tell her the truth about his dark past. And she can't reveal what she's running from. At least this isn't a real relationship. It's only for a month. It's only pretend. Until it isn't...

Mr. Prohack Arnold Bennett,1922 This is a humorous story of a civil servant struggling with financial pressures post-World War I when he unexpectedly inherits £100 000 from someone to whom he did a good turn. This fortune affects him and his family (wife Eve, son Charlie, daughter Sissie) in different ways. He tries various tactics to handle the novelty: spending, scrupulously planned idleness, even visits to Turkish Baths. His son tries speculation, his daughter a dance school, his wife becoming a society hostess. The story reveals how Mr Prohack grapples with the reality of the power of riches without losing his integrity and sense of self.
