Quote Junkie Hagopian Institute,2008-06-22 Some of the greatest political quotes in the history of the world, featuring around 600 great quotes. A great book for political, and history junkies. This edition offers quotes from some of the greatest men and women in the history of the world, from all corners of the world. Enjoy!

White House Special Handbook Mikhail Kryzhanovskii,2007 Here is the book that guides the President of the United States from the first in the Oval Office and to the day he (or she?) walks out for the last time. In fact, the strategies and mindset recommended in these pages are essential tools for capturing the Presidency, much less wielding it. The international scene today is either a madhouse or the product of extraordinarily cynical techniques such as these, applied with cold cunning, by our nations leaders. This handbook provides a comparison of the world's premier intelligence agencies, discusses tactics of surveillance, war, and public persuasion, practical advice on political maneuvering at the local, national and international levels. A rational, results-based handbook, it is destined to be a secret favorite of politicians, agents of the special services, CEOs and corporate boards for the next hundred years to come. And for the many other ambitious contenders in the world of winner-take-all bare-knuckles capitalism. The author, who cites decades of insider knowledge at the KGB and the CIA, says he originally compiled this book upon a request from Washington anonymous, of course. - Publisher.

The Quote Verifier Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it

again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, The Quote Verifier also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.
