More than 40 new activities suitable for all ages and abilities are offered, including seated games such as A-Rum-Sum-Sum, Doctor Memory, and Zoom, as well as active games such as Trust Leap and Wizard. Perfect for schools, business seminars, parties, and family gatherings, the activities are also a form of affirmation and self-discovery, and the deeper significance of play is discussed throughout the book. **Love: The Greatest Force in The Wonderment of The Human Experience** Kevin Unruh,2024-08-10 Love: The Greatest Force in the Wonderment of the Human Experience is three things: an homage, a reminder, and a gift. This book was written to pay tribute to the most powerful of all human acts and emotions, to remind us of the power of love - a power that we all have access to every day of our lives - and to serve as a physical gift to be given to anyone that you love. Love takes many forms and is expressed in many different ways. This book is for anyone that you love: partner, spouse, friend, or family member. It is a collection of short chapters, past and present quotations, and includes sections in which you can write your own expressions of love and gratitude for the person to whom you give this book. It is also designed specifically to help those who sometimes have difficulty expressing themselves with respect to feelings of love. We humans are a powerful species and love is our secret weapon, our most beautiful language, and our greatest gift. This book is intended to remind us of the many wonderful things love is and of all that it can do.
