Albert Gallatin Mackey, Charles Thompson McClenachan

The Outer Temple of Witchcraft Christopher Penczak, 2004 As you enter the heart of witchcraft, you find at its core the power of sacred space. In Christopher Penczak's first book, *The Inner Temple of Witchcraft*, you found the sacred space within yourself. Now *The Outer Temple of Witchcraft* helps you manifest the sacred in the outer world through ritual and spellwork. The book's twelve lessons, with exercises, rituals, and homework, follow the traditional Wiccan one-year-and-a-day training period. It culminates in a self-test and self-initiation ritual to the second degree of witchcraft, the arena of the priestess and priest.

The Veil of Cadence Shadowsoul JOHN L. BISOL, 2016-06-29 Third in a Series: The House on South Street has a new owner. The only constant to the property is the continued relentless overgrowth of brush and brambles as unseen forces strive to hide the secrets of the land. Hauntings are challenged and an evil entity finally meets its destruction. All who pass through the house need to beware that beyond the veil, Cadence Shadowsoul watches and plots to keep what is hers. Human souls are lost in the struggle as well - they did not consider the volume of evil nesting in the ready for the naive. Perhaps the next family will fare better...perhaps not!

The Meaning of Masonry Walter Leslie Wilmshurst,1922 The five essays contained in this book are offered in the best spirit of fraternity and goodwill and with the wish to render to the Order some small return for the profit the author has received from his association with it extending over thirty-two years. They have been written with a view to promoting the deeper understanding of the meaning of Masonry; to providing the explanation of it that one constantly hears called for and that becomes all the more necessary in view of the unprecedented increase of interest in, and membership of, the Order at the present day.
