To the Ends of the Earth Allan Heaton Anderson,2013-01-04 In *To the Ends of the Earth*, Allan Anderson offers a historical and theological examination of the growth of global Pentecostalism. The Will of God: Good and Acceptable and Always Perfect David A Swincer,2020-06-11 The title of this book is an expression of the following: Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing (acceptable) and perfect will. Romans 12:1-2, emphases added. The question that is paramount, is, "How do we discover this good and acceptable and perfect will?" And let the peace (soul harmony which comes) from the Christ rule (act

as umpire continually) in your hearts - deciding and settling with finality all questions that arise in your minds ... Colossians 3:15 (Amplified), emphases added. This verse expresses in a quite convincing way, the last word on discovering the will of God: Let the peace of God continually act as umpire in your hearts, deciding and settling with finality all questions that arise in your minds (Colossians 3:15, adapted). But this is not a privilege for anyone, as if it were some semi-magic trick to discover God's will. It is premised upon a deep and meaningful personal relationship with Christ. That relationship is the result of the conversion experience, and results in a life of growing into Christ's likeness—the process of sanctification. The expression of that life is then found in true Christian worship, with its commitment to God and the desire to live in obedience to Him—doing His will. That is the theme of this book.

Pentecostal and Charismatic Studies William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century. Without government support, without an advertising campaign, often without the notice of journalists and academics and sometimes in the face of persecution and ridicule, it has spread its message around the world and now attracts in the region of 500 million people. Many of its original and formative documents are unknown and out of print. This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and, over a range of issues and practices, shows how they vary and how they have developed historically. These texts have lain in out of print magazines and archives and, so far as we know, have never been collected before in this way. This book allows you to hear the authentic voice of the Pentecostal and charismatic movements, drawing especially from sources in English.

The Fourth Dimension Robert Lee Bell, 2013-08 Dr. Robert Lee Bell's book, *The Fourth Dimension: Truth or Deception?* is a very well-researched and balanced study on the teachings of Yonggi Cho. It is indeed a need in this age to explore the dangers of the man-centered theology that Apostle Paul warned against in II Timothy 3:1-9. Dr. Bell has compared Cho's theology with the Scriptures and it is very clear that Cho's theology is a synthesis of Christianity, shamanism, and occult practices; a deceptive mixture of error and truth which appears Christian. Cho takes Scripture out of context and twists it to conform to a preunderstood paradigm

Fourth Dimensional Living in a Third Dimensional World David Cho, 2007-01-15 Life in a Higher Dimension Dr. David Yong-Gi Cho is the pastor of the world's largest church and a best-selling author. Many of his books talk about life in the Fourth Dimension--a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible Fourth Dimension--the spiritual realm--and the things we see are only temporary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the Fourth Dimension, the place where the God of might and miracles lives and moves. How do we move from this sphere into the Fourth Dimension? Dr. Cho provides a road map for us by showing us the things we need to change in order to get there and live there: We must change the way we think We must live by faith, not by sight We must dream God's dreams We must change the way we speak We must change the way we behave Yes, these are the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness. As you read this book, you will gain glimpses into the spiritual dimension, a wonderful place of love, peace, and joy, and you will be inspired to go there and stay there. Though you are in the world, you do not have to be of the world. By faith we understand that the worlds were prepared by the word of God, so

that what is seen was not made out of things which are visible (Hebrews 11:3 NKJV).
