*Catalogue of Music for Organ and Instruments* James Laster,2005 This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood, fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles, from Baroque to contemporary. This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. *The Complete Lord's Prayer for Every Busy Accompanist* Albert Hay Malotte,1989-12 (Vocal Collection). With this 15-version collection, you'll always be ready to play Albert Hay Malotte's sacred classic anytime, anywhere, for anyone. The Revised Edition of this indispensable book is now even more valuable. In addition to Malotte's classic in five keys for solo voice and organ (E-flat, D-flat, C, B-flat, G), the same five keys for solo voice and piano, and a solo piano and solo organ arrangement, there are three vocal duet arrangements included soprano and alto (which could be sung by a soprano and baritone), soprano and tenor, and alto and baritone. The book is a great value; the sheet music to all these versions purchased separately would cost nearly \$60!

**Chalice Hymnal** Daniel B. Merrick,1995 Every Sunday, thousands of Christians lift their voices in song and their spirits in worship using the acclaimed Chalice Hymnal-join them and sing from a brilliant blend of 620 easy-to-sing traditional and

contemporary hymns.

*John Charles Thomas* Michael J. Maher, 2015-01-24 Buoyant, irrepressible and hot-tempered, John Charles Thomas captivated audiences worldwide with his incredible voice. The son of a minister, he studied voice at the Peabody Conservatory under the tutelage of Adelin Fermin, one of the few voice teachers in America capable of training Thomas in the French operatic style. By 1915, Thomas had become a leading performer on Broadway, and ten years later had embarked on a trans-Atlantic career in opera and concerts. At the height of his popularity from 1934 through 1946, he was a popular star of radio, phonographs, and the Metropolitan Opera, a favorite of both popular and classical audiences. His decision to leave opera and focus on his radio career during the Second World War cost him his reputation as a serious artist. The singer who introduced Home on the Range and launched many other American standards has been largely forgotten today. This thorough biography details Thomas's life and career. Beginning with his school days at the Peabody, it traces his Broadway career as the star of Step This Way and Maytime and his highly successful career as a concert, recording, and opera star. Appendices provide a discography of his recordings, a list of operatic appearances in Brussels and the United States, and the songs he performed on radio broadcasts from 1934 to 1948.

**Drei Romanzen** Robert Schumann, 1926

**Mario Lanza** Derek Mannering, 2015-02-12 Blessed with one of the great tenor voices of all time, Mario Lanza (1921-1959) rose to spectacular heights in a film, recording, and concert career that spanned little more than a decade. Groomed at the outset for a career on the opera stage, Lanza instead flourished in Hollywood where his films, most notably The Great Caruso, broke box-office records the world over and influenced the careers of countless musicians. To this day, the Three Tenors cite him as an inspiration for their own careers on the classical stage. Lanza's recordings for RCA sold in the millions, and he remains the crossover artist supreme. But his tremendous success was derailed by his self-destructive lifestyle, and by age thirty-eight he was dead, with his extraordinary promise left unfulfilled. Newly revised and updated for its first U.S. edition, Mario Lanza: Singing to the Gods is the definitive account of the remarkable life and times of one of the twentieth century's most beloved singing stars. This richly detailed work also contains a selection of rare photographs, several of which are drawn from Lanza's estate. With the support of Lanza's daughter, Ellisa Lanza Bregman, the tenor's colleagues, and his closest friend, Terry Robinson, Derek Mannering has chronicled a fascinating and unforgettable life. From the fabulous successes of the early MGM years through the disastrous walkouts and cancellations that sent Lanza's career into freefall, Mannering objectively and movingly reveals the story of a great star torn apart by his own troubled psyche and undisciplined lifestyle.
