**QAnon** Marc-André Argentino, 2025-07-18 This book explores the QAnon movement by examining its history, fluctuations, and evolution, stemming from the likelihood of multiple users behind the “Q” account, as well as from the changes in the sociopolitical landscape since the creation of the movement. It frames QAnon as a lived religion and demonstrates that it has gone through three stages of existence: proto-QAnon, canonical-QAnon, and apocryphal-QAnon. Author Marc-André Argentino argues that QAnon evolved into something more than a conspiracy theory and demonstrates through a comparative analysis that QAnon is more akin to a new religious movement, in particular a hyper-real religion. He explores the role of gender and women in the QAnon movement, followed by an examination of how the QAnon conspiracy theories have legitimized and coordinated targeted gender-based violence. The book provides evidence of the nexus of QAnon and ideologically-motivated violent extremism and criminality. Finally, it examines the evolution of QAnon after the January 6th insurrection, the loss of the 2020 election by Donald Trump, and the disappearance of “Q.” This volume will be of great interest to researchers of conspiracy theories, new religious movements, American politics, and extremism.

**Religious Dimensions of Conspiracy Theories** Francesco Piraino, Marco Pasi, Egil Asprem, 2022-11-30 Religious Dimensions of Conspiracy Theories contributes to the study of conspiracy culture by analysing the religious and esoteric dimensions of conspiracy theories. It draws on a broad range of disciplinary insights from historians, sociologists, anthropologists, and religious studies scholars. The book has a global focus and features case studies from North America, Europe, the Middle East, Asia, and Africa. This book will be of great interest to researchers of conspiracy theories, esotericism, extremism, and religion

*Shadow Network* Anne Nelson, 2019-10-29 “Reveals a political trend that threatens both our form of government and our species.” - Timothy Snyder, author of *ON TYRANNY* Riveting.... Want to understand how so many Americans turned against truth? Read this book. Nancy Maclean, author of *DEMOCRACY IN CHAINS* In 1981, emboldened by Ronald Reagan's election, a group of some fifty Republican operatives, evangelicals, oil barons, and gun lobbyists met in a Washington suburb to coordinate their attack on civil liberties and the social safety net. These men and women called their coalition the Council for National Policy. Over four decades, this elite club has become a strategic nerve center for channeling money and

mobilizing votes behind the scenes. Its secretive membership rolls represent a high-powered roster of fundamentalists, oligarchs, and their allies, from Oliver North, Ed Meese, and Tim LaHaye in the Council's early days to Kellyanne Conway, Ralph Reed, Tony Perkins, and the DeVos and Mercer families today. In *Shadow Network*, award-winning author and media analyst Anne Nelson chronicles this astonishing history and illuminates the coalition's key figures and their tactics. She traces how the collapse of American local journalism laid the foundation for the Council for National Policy's information war and listens in on the hardline broadcasting its members control. And she reveals how the group has collaborated with the Koch brothers to outfit Radical Right organizations with state-of-the-art apps and a shared pool of captured voter data - outmaneuvering the Democratic Party in a digital arms race whose result has yet to be decided. In a time of stark and growing threats to our most valued institutions and democratic freedoms, *Shadow Network* is essential reading.

**The King's Keeper** Gary Everett, 2019-03-29 When I think of all my possessions to include any wealth in savings or retirement funds-my home and cars; my health, the strength of my body and mind; all that I have accomplished; my talents, titles, or degrees-is there anything that I can claim aside from the magnificent grace of God? Anything? For me, there is nothing that I can claim. Since I came into this world with nothing and will leave with nothing, I am but a steward of God, the One who owns it all. I am the King's keeper and accountable to the King. This King is my precious Savior, Jesus. To gain a better understanding of my role as steward, it is necessary for me to renew my mind and reflect upon what God's Word says about stewardship. To prepare for His return, the King's Keeper will help me discover: 1. those characteristics of the life of a good steward that are pleasing to the King and that will help me demonstrate faithful service without reason for question; 2. how I can steward God's creation; 3. how to steward myself and understand the proper alignment of the body, soul, and spirit for kingdom service; 4. how I can steward my time so that it is pleasing to my heavenly Father, being all about His business; 5. how I can take an honest look at my attitude and behavior concerning my possessions and come into alignment with the desires of the King; 6. how I can steward God's Word and be found faithfully administering the mysteries of the Word of God in love, always giving the glory to Him; 7. how I can steward God's manifold grace and be found fully operating in the gifts in which I have been given for kingdom service; 8. how I can engage my community as a kingdom representative; and 9. how I can tend to the precious relationships in which I have been trusted. A steward must always be ready for the master's return, and the King may return at any time!

**Invading Babylon** Lance Wallnau,Bill Johnson,2013-07-16 You were transformed to transform your world! For too long, Christianity has been defined by a false concept of church. As a result, believers have built walls around their lives, keeping culture at a distance. As Christians have tried to keep culture out of the church, unfortunately, the church has kept itself out of the culture. This was never Jesus' design for the your life! Before church was established as a place that people "came to," Jesus instituted it as an army that brought transformation to society, starting with salvation and continuing with seven spheres of influence: Church, family, education, government, media, arts, and commerce. Six revolutionary voices in the modern church deliver Invading Babylon. This essential guide will equip you to: Understand your vital role in shaping society. Release God's will in your sphere of influence. Become an unstoppable citizen in God's Kingdom. It's your time to arise and be a light in a dark world.

Turn the World Upside Down Michael Maiden,2011-08-16 Many Christians have been preaching the gospel of salvation and attempting to disciple the nations by bringing people into their church congregations, but they have not seen their cities and countries transformed. Jesus, however, preached the Gospel of the Kingdom, and He equipped and empowered His disciples to turn the world upside down in a drastic cultural transformation. In the Bible, mountains usually represent the authority of kingdoms. Learn how you can occupy the seven mountains of authority—family, church, business, government, education, arts/entertainment, and media—and bring Heaven's influence to earth, transforming your culture and discipling the nations! You will learn: How the Gospel of the Kingdom turns the world upside down. What the seven mountains of authority are. How to take your mountains with the Gospel. To step into your destiny as a world-changer! Maiden writes:

“You were predestined for a reason and purpose by God! Your gifts, anointing, personality, and history will all synergize into a dynamic purpose when you find your mountain!” Tackle your mountain today!

**Star-Spangled Jesus** April Ajoy, 2024-10-01 A hilarious and eye-opening account of leaving Christian Nationalism behind to follow Jesus better. April Ajoy wouldn't have called herself a Christian Nationalist when she performed her original song “America Say Jesus” on the Jim Bakker show, or when she participated in Jesus Marches across America, or when she posted cringe-worthy videos on YouTube to campaign for Mitt Romney. April just considered herself a good Christian: faithful, Republican, and determined to make America a Christian nation once again. But as her view of the world widened, Ajoy began to see cracks in her steadfast beliefs and recognized the ways her conservative politics and religion were intertwined in her mind. Did God really bless America? Is it actually by His red, white, and blue stripes that we are healed? Ajoy, content creator and podcast host, shares funny stories from her time deep within Christian nationalism, exploring how aspects of evangelical culture such as product boycotts, Satanic panic, and end-times theology have all been exploited to advance the Christian Nationalist narrative. She also illuminates the ways nationalist thinking has infiltrated our churches and political arenas, shaping not only modern evangelical culture but also American public policy and international relations. Part memoir, part guidebook, part call to action, *Star-Spangled Jesus* explores how the fight to make America a “Christian nation” has damaged us all and shows how one woman left Christian Nationalism and why America should too.

**The End... Prophetic Insights into the Last Days** Alison Brown, 2013-04-07 An amazing insight into end-times prophecy. Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies. A must read for all those interested in what is about to happen in these last days.
