Ted West

The Witcher's Bestiary animAFreaks,

The Witcher Universe Ted West,2020-11-16 Did you like The Witcher from Netflix or the game universe from CD Project and now want to immerse yourself in Andrzej Sapkowski's books The Witcher? Or maybe you are already a fan of the book series and want to recollect or structure information from the Saga? Either way, you've come to the right place! This guide contains interesting knowledge about breathtaking places and deadly monsters that live there, the main heroes and their exploits. Monsters are presented in the bestiary section, where there is information about the most important and interesting monsters that are encountered while reading books or playing through the game. The guide briefly depicts the politics, formation, and population of the kingdoms to give fans a better understanding of the events. A map is also present. Of course, a diagram of the order to read the books is presented, which will allow you to read novels correctly without spoilers. Here is a summary of the guide: the order of reading the Witcher books; description of important events that influenced the history of the Witcher's world; bestiary; location, economy, and politics of kingdoms; races, their history of origin and settlement on the continent; characteristics of the characters of the Saga; and others. All this will help you better understand the story. You will easily navigate the Witcher universe and better understand the actions of the heroes! Geographical objects, monsters, and character names will not cause confusion; you will like this vast universe. The encyclopedia will serve as an excellent addition to the books and the Witcher series of games and is a must in the collection of every true fan of this epic dark fantasy from Andrzej Sapkowski! Enjoy!
