Mike Jess

Ziggy's Divine Comedy Tom Wilson, 1998-09 Hallelujah! It's a heavenly new collection of Ziggy cartoons to lighten your heart and brighten your day. Throughout these hilarious cartoons, our angel of mirth patiently endures the absurdities of life, ponders its mysteries, and celebrates the simple things. He calls Mother Nature Mom, talks to aliens, and believes in Santa Claus. Ziggy's wide-eyed wonder appeals to the child in all of us. But don't be fooled, this is a character with attitude -- and it's all positive. Gray skies got you down? Ziggy will find the silver lining and have you on cloud nine before long. Ziggy is the nice guy who finishes first in the hearts of his faithful readers. He is ageless, timeless, and always current. He has taken us through smiley faces, mood rings, sushi bars, and bad hair days. And Ziggy will take us into the new millennium with his good humor shining through.

Ziggy's Gift Tom Wilson, 2005-10 Ziggy must be a part of me, because he feels as if he's been with me all my life. Whether it's snowmen, turkey legs, Christmas trees, or shopping, you can bet Ziggy will have something to say about it. You can also depend on this little bit of Everyperson to spin out a homespun philosophy that leaves you smiling, shaking your head just a bit, and saying, You know, he's got something there. That's what makes Tom Wilson's Ziggy a hit with the 75 million readers who see the panel in more than 600 Sunday and daily newspapers around the world. And it's what promises to make Ziggy's Gift a memorable way to celebrate the holidays. Honoring the re-release of the movie Ziggy's Gift on DVD, this holiday-themed cartoon collection is the answer for any shopper looking for just the right combination of humor, warmth, and thoughtfulness. Ziggy is so approachable and easy to read, recipients won't be able to stop once they begin paging through the book. This holiday season, Ziggy is bringing with him a Christmas gift that will capture and warm the hearts of everyone. Ziggy's instantly recognizable persona fosters a built-in confidence among buyers who feel they know the character and feel comfortable giving this collection as a gift. Alphabet Jackson Jack Olsen,2020-05-28 The Billygoats, champions of the National Conference of the NFL, are flying to New Orleans for the Super Bowl when their plane is hijacked by a familiar giant with a machine gun, a drug habit and a pair of sure hands... Alphabet Jackson is the Billygoats' balding offensive center, and he tells the suspenseful, violent and funny story, which really began on the first day of training camp. For Alphabet, the ride to the Super Bowl is a long-held secret dream that threatens to end in a nightmare of flame, twisted metal and death. With Alphabet, a ten-year veteran coming off a knee operation, you venture into the inner world of pro football with as colorful a cast of characters as you've ever encountered. Alphabet knows his teammates well - the studs, bruisers, boozers and pill poppers. He knows the agonies of the grass drills, the brutal combat in the pit, the savage joy of the game. And he knows the wild hilarity, the football Annies, the management moguls, the frantic fans off the field. But it's not until the plane is hijacked that Alphabet understands some of the things that have been going on all season: the suspicious shift in point spreads, the crazy incidents stirring up racial tensions, the kook telephone calls to wives. It all comes together on the way to the Super Bowl - in a novel that will hold the championship in its field for years to come.
