A History of Western Society & Ap* European History David Tamm,2017-05-03 This AP* European History student's companion is filled with vocab, activities and assignments that follow the McKay, Hill, Buckler, Crowston, Wiesner-Hanks & Perry 11th edition of A History of Western Society for each chapter. Its activities can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online, traditional classwork can be left lacking. Whether the textbook is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, brainstorm examples, diagram each chapter, and think things through with the authors. Find TTT on FB, or click author
