Hinds Feet on High Places Hannah Hurnard, 2013-03-21 Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

The Shinning Hour of Departure Hannah Hurnard, 2015-04-24 Has Old Age a special Ministry? Yes, I realized joyfully, it certainly has. It is no longer the Ministry of DOING, but the Ministry of BEING - Hannah Hurnard with her special gift of

story telling in this book *Shining Hour Of Departure* has given us the facts about aging and coming to grips with our usefulness in the Kingdom of God up to the very end. A great encouragement for any elderly person that finds themselves questioning their usefulness near the end of their life. This book abolishes the fear of death by focusing on the joy of life. Hurnard's early writings, *Hinds' Feet on High Places* and the sequel *Mountain of Spices* have been embraced by the Christian community for decades, still ranking as Christian classics. This special letter, *The Shinning Hour of Departure* written in her later years says this: For several years I had been conscious that more and more of my rather older friends, and even some younger ones, had been taking their departure from this world, and, not infrequently, amongst those who remained, I had heard such wistful remarks as these: Well, of course one can't expect to do as much now as when one was younger. One doesn't want to have to lay everything down, you know, and to have nothing left. Its difficult to find oneself laid aside and put on the shelf. Its lonely when the friends of your own generation have all gone and the children are grown up and living lives of their own. Her answer to them brought them hope and purpose. She goes on to say. Being an example and inspiration and strengthener of the weak simply by being a demonstration of the grace and love of the Lord who call us to follow the way that He went.

Summary of Hannah Hurnard's Hinds' Feet on High Places Everest Media,2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The interview with the Chief Shepherd went on for a long time, and when they finally did leave her, it was already late in the evening. She was terrified of being kidnapped and forced to marry her cousin Craven. The Shepherd offered to take her to the High Places, where no Fears could live. #2 The Shepherd told Much-Afraid that she would have to be changed before she could live on the High Places, but that he would help her develop hinds' feet. He also told her that she would have to receive a new name if she wanted to live in the Kingdom of Love, because no one was allowed to dwell there unless they had the flower of Love blooming in their hearts. #3 The Shepherd gave Much-Afraid the seed of Love, which was shaped like a long, sharply-pointed thorn. She was still afraid of pain, and she did not dare to love unless she were sure of being loved in return. #4 When the seed of Love in your heart is ready to bloom, you will be loved in return. However, you must remember that as soon as you reach the slopes of the mountains, there is a wonderful system of communication from end to end of the Kingdom of Love.

Workbook and Leader's Guide for Mountains of Spices by Hannah Hurnard Barbara Moon,2016-09-19 *Mountains of Spices* is the sequel to Hannah Hurnard's book, *Hinds' Feet on High Places*. Like *Hind's Feet*, *Mountains of Spices*, is also an allegory that illustrates how God can change our negative characteristics into their exact opposites. Much Afraid from *Hinds' Feet* has been changed to Grace and Glory and the Shepherd sends her back to the Valley of Humiliation to share her new life with her Fearing relatives. Grace and Glory wants nothing more than to see her family come to the Shepherd and learn of Him as she has. She encounters much resistance along the way, but continues to persevere in her unconditional love for the people who used to torment her before she went to the High Places. This workbook will challenge readers to examine their commitment to helping others find the Shepherd while allowing Him to change negative characteristics into the loveliest of all qualities when they are surrendered to Him.
